AGREEMENT

To secure its Obligations under the Loan Agreement and under any other agreement now existing or hereafter arising between Grantors and Bank, each Grantor grants and pledges to Bank a security interest in all of Grantors’ right, title and interest in, to and under its Intellectual Property Collateral (including without limitation those Copyrights, Patents and Trademarks listed on Exhibits A, B and C hereto but excluding intent-to-use trademarks), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, and, as applicable, all re-issues, divisionals, continuations, renewals, extensions and continuations-in-part thereof.

This security interest is granted in conjunction with the security interest granted to Bank under the Loan Agreement. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute the same instrument.

The parties agree that the electronic signature of a party to this Agreement shall be as valid as an original manually executed signature of such party and shall be effective to bind such party to this Agreement, and that any electronically signed document (including this Agreement) shall be deemed (i) to be "written" or "in writing," and (ii) to have been "signed" or "duly executed". For purposes hereof, "electronic signature" means a manually-signed original signature that is then transmitted by electronic means or a signature through an electronic signature technology platform. Notwithstanding the foregoing, Bank may require original manually executed signatures.
