## ACKNOWLEDGEMENT OF INTELLECTUAL PROPERTY TRANSFER

THIS ACKNOWLEDGMENT OF INTELLECTUAL PROPERTY TRANSFER (the "IP Transfer Acknowledgement") is made by and between Getinge USA, Inc., a Delaware corporation ("Getinge USA"), Getinge Holding USA II, Inc. a Delaware corporation (the "Former Shareholder"), and Getinge Holding USA, Inc. a Delaware corporation ("Getinge Holding").

### Recitals

WHEREAS, on December 31, 2018, Getinge USA liquidated under Delaware law into its sole stockholder, the Former Shareholder, and transferred any remaining assets and liabilities not otherwise specified in the Assignment and Assumption Agreement entered into between Getinge USA and Getinge USA Sales LLC on October 31, 2017, to the Former Shareholder pursuant to Delaware law and Section 1.c. of the Agreement and Plan of Reorganization dated October 31, 2017, by and among the Former Shareholder; Getinge USA; Datascope Corp., a Delaware corporation; Getinge Group Logistics Americas, LLC, a Delaware limited liability company; and Getinge USA Sales, LLC, a Delaware limited liability company (the "Plan of Reorganization"). Getinge USA's liquidated assets included, but were not limited to, all assets not otherwise transferred in the Assignment and Assumption Agreement, including all intellectual property owned by Getinge USA at the time of liquidation;

WHEREAS, on July 31, 2019, the Former Shareholder liquidated under Delaware law into its sole stockholder, Getinge Holding, and transferred any remaining assets and liabilities, including, but not limited to, all intellectual property (including all the intellectual property that was previously owned by Getinge USA at the time it liquidated), to Getinge Holding pursuant to Delaware law and Section 2 of the Plan of Complete Liquidation, Dissolution and Distribution of the Former Shareholder dated July 17, 2019 (the "Plan of Liquidation");

WHEREAS, at the time Getinge USA liquidated, Getinge USA was the sole and exclusive owner of all right, title and interest in and to the US and Canadian trademarks shown on **Schedule A** hereto and all common law rights in unregistered trademarks owned by Getinge USA, and the goodwill associated with the foregoing (collectively, the "Marks");

WHEREAS, at the time Getinge USA liquidated, Getinge USA was the sole and exclusive owner of all right, title and interest in and to the US and Canadian patents shown on **Schedule B** hereto (the "Patents");

WHEREAS, Getinge USA's Marks, Patents, and other intellectual property owned by Getinge USA at the time of liquidation, including, but not limited to, copyrights, know-how, and trade secrets, are collectively referred hereto as the "IP Assets"; and

WHEREAS, Getinge USA, the Former Shareholder, and Getinge Holding enter into this IP Transfer Acknowledgement to acknowledge that all right, title, and interest in and to the IP Assets transferred to the Former Shareholder on December 31, 2018, under Delaware law and the Plan of Reorganization and subsequently transferred to Getinge Holding on July 31, 2019, under Delaware law and the Plan of Liquidation, and for purposes of recording the proper chain of title for the IP Assets.

## Transfer

NOW, THEREFORE, to avoid any doubt as to the ownership of the IP Assets, Getinge USA and the Former Shareholder acknowledge that on December 31, 2018, all right, title and interest in and to the IP Assets transferred to the Former Shareholder by operation of Delaware law and the Plan of Reorganization, including all common law rights in the Marks, together with the goodwill of the business symbolized by the Marks, and all rights of action accrued and to accrue under and by virtue hereof, including the right to sue and recover for past infringement of the IP Assets, the same to be held and enjoyed by the Former Shareholder, for its own use and behalf and the use and behalf of its successors, legal representatives, and assigns, as fully and entirely as the same would have been held and enjoyed by Getinge USA had the transfer not occurred.

To the extent the IP Assets are deemed not to have transferred by operation of law or the Plan of Reorganization, Getinge USA does hereby assign, transfer and convey to the Former Shareholder all right, title and interest in and to the Marks and the goodwill of the business associated with the Marks, the Patents, and the IP Assets, effective December 31, 2018.

FURTHER, to avoid any doubt as to the ownership of the IP Assets, the Former Shareholder and Getinge Holding acknowledge that on July 31, 2019, all right, title and interest in and to the IP Assets transferred to Getinge Holding by operation of Delaware law and the Plan of Liquidation, including all common law rights in the Marks, together with the goodwill of the business symbolized by the Marks, and all rights of action accrued and to accrue under and by virtue hereof, including the right to sue and recover for past infringement of the IP Assets, the same to be held and enjoyed by Getinge Holding, for its own use and behalf and the use and behalf of its successors, legal representatives, and assigns, as fully and entirely as the same would have been held and enjoyed by the Former Shareholder had the transfer not occurred.

To the extent the IP Assets are deemed not to have transferred by operation of law or the Plan of Liquidation, the Former Shareholder does hereby assign, transfer and convey to Getinge Holding all right, title and interest in and to the Marks and the goodwill of the business associated with the Marks, the Patents, and the IP Assets, effective July 31, 2019.

This IP Transfer Acknowledgement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
