INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement (this “**Agreement**”) is made as of September 23, 2020, by VIRTUALITICS, INC., a Delaware corporation (the “**Company**”), in favor of SUN MOUNTAIN PRIVATE CREDIT FUND I, LP, a Delaware limited partnership (the “**Investor**”). Capitalized terms used but not otherwise defined herein have the meanings given to them in that certain Investment Contract of even date herewith by and between the Company and the Investor (the “**Investment Contract**”).

RECITALS

Investor and the Company have executed the Investment Contract that provides for, among other things, (a) the Investor to receive certain payments from the Company in consideration for its initial investment and (b) the execution and delivery of this Agreement for the purpose of granting the Investor a security interest in the Company’s intellectual property.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of its obligations under the Transaction Documents and all other agreements now existing or hereafter arising between the Company and the Investor, the Company hereby represents, warrants, covenants and agrees as follows:

AGREEMENT

To secure its obligations under the Transaction Documents, the Company grants and pledges to the Investor a security interest in all of the Company’s right, title and interest in, to and under its Collateral that constitutes intellectual property (including without limitation those registered copyrights, patents and trademarks listed on Exhibits A, B and C hereto), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions continuations, renewals, extensions and continuations-in-part thereof.

This security interest is granted in conjunction with the security interest granted to the Investor under the Transaction Documents. The rights and remedies of the Investor with respect to the security interest granted hereby are in addition to those set forth in the Transaction Documents, and those which are now or hereafter available to the Investor as a matter of law or equity. Each right, power and remedy of the Investor provided for herein or in the Transaction Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by the Investor of any one or more of the rights, powers or remedies provided for in this Agreement or any of the other Transaction Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including the Investor, of any or all other rights, powers or remedies.

The Company represents and warrants that Exhibits A, B, and C attached hereto set forth any and all intellectual property rights in connection to which the Company has registered or filed an application with either the United States Patent and Trademark Office or the United States Copyright Office, as applicable.

This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute the same instrument.
