GRANT OF  
SECURITY INTEREST IN TRADEMARK RIGHTS

This GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS (this “Agreement”), dated as of October 2, 2020, is made by the parties listed on the signature pages hereof (each, a “Grantor”), in favor of The Bank Of New York Mellon Trust Company, N.A., as notes collateral agent (in such capacity, the “Notes Collateral Agent”) in connection with that certain Indenture, dated as of October 2, 2020 (as amended, restated, supplemented or otherwise modified from time to time, the “Indenture”), among Global Medical Response, Inc. (“Issuer”), GMR Intermediate Corp. (“Holdings”), the subsidiaries of the Issuer named therein and The Bank Of New York Mellon Trust Company, N.A., as trustee and Notes Collateral Agent.

WITNESSETH:

WHEREAS, in connection with the Indenture, each Grantor and any Subsidiaries that become a party thereto, have executed and delivered a Security Agreement, dated as of October 2, 2020 in favor of the Notes Collateral Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the “Security Agreement”);

WHEREAS, pursuant to the Security Agreement, each Grantor has granted to the Notes Collateral Agent, for the benefit of the Secured Parties, a lien on and security interest in, all of its right, title and interest in, to and under certain Intellectual Property, including the Trademarks, that is not Excluded Property; and

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in order to induce the Holders to hold the Notes of the Issuer, each Grantor agrees, for the benefit of the Notes Collateral Agent and the Secured Parties, as follows:

1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Indenture and the Security Agreement.

2. Grant of Security Interest. Each Grantor hereby grants a lien on and security interest in all of such Grantor’s right, title and interest in, to and under the Trademarks that are not Excluded Property (including, without limitation, those items listed on Schedule A hereto), including the goodwill associated with such Trademarks and the right to receive all Proceeds therefrom (collectively, the “Collateral”), to the Notes Collateral Agent for the benefit of the Secured Parties as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations; provided that, applications in the United States Patent and Trademark Office to register trademarks or service marks on the basis of such Grantor’s “intent to use” such trademarks or service marks will not be deemed to be Collateral unless and until an amendment to allege use or a statement of use has been filed and accepted by the United States Patent and Trademark Office, whereupon such application shall be automatically subject to the security interest granted herein and deemed to be included in the Collateral.

3. Purpose. This Agreement has been executed and delivered by each Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Secured Parties in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement

(and all rights and remedies of the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms.

4. Acknowledgment. Each Grantor does hereby further acknowledge and affirm that the rights and remedies of the Secured Parties with respect to the security interest in the Collateral granted hereby are more fully set forth in the Indenture and the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern. In the event of any conflict between the terms of this Agreement and the terms of the Indenture, the terms of the Indenture shall govern.

5. Notes Collateral Agent. The Bank of New York Mellon Trust Company, N.A., is executing this Agreement, not in its individual capacity but solely in its capacity as Notes Collateral Agent under the Indenture. In acting hereunder, the Notes Collateral Agent shall be entitled to all the rights, powers, protections, immunities, and indemnities afforded to it under the Indenture as if the same were set forth herein, mutatis mutandis. The permissive rights, benefits and powers granted to the Notes Collateral Agent hereunder (including the power to exercise any remedies following an Event of Default) shall not be construed as duties. All discretionary acts hereunder (including the exercise of any remedies) shall be taken by the Notes Collateral Agent pursuant and subject to the terms of the Indenture (including the Notes Collateral Agent's right to be adequately indemnified and directed). The Note Collateral Agent shall be entitled to exercise its rights, powers and duties hereunder through agents, experts or designees and shall not be responsible for the acts of any such parties appointed with due care. Notwithstanding anything herein to the contrary, the Notes Collateral Agent shall have no responsibility for preparing, recording, filing, re-recording, or re-filing any financing statement, perfection statement, continuation statement or other instrument in any public office or for otherwise ensuring the perfection or maintenance of any security interest granted pursuant to this Agreement, the Indenture or any Security Document.

6. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic transmission will be as effective as delivery of a manually executed counterpart hereof. The words "execution," "signed," "signature," and words of like import in this Agreement shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

7. Governing Law: This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
