## ASSIGNMENT OF INTELLECTUAL PROPERTY

For good and valuable consideration, the receipt of which is hereby acknowledged, SC VESSEL 1, LLC, a Delaware limited liability company hereby assigns to OG ENTERPRISES BRANDING, INC., a Delaware corporation, ("OG") its entire right, title and interest in and to (a) the trademark applications and/or registrations identified on Schedule A and the trademarks which are the subject thereof (the "Trademarks"), including the goodwill of the business connected with the use of, and symbolized by, said marks, and (b) the designs shown on Schedule A. OG hereby accepts said assignment.

In addition, SC hereby assigns, without representation or warranty of any kind to OG, all of its right, title and interest (if any) in and to (i) any other Intellectual Property and it may now or hereafter own relating to the Trademarks, and (ii) all other assets of the business of SC relating to the Trademarks.

As used herein, "Intellectual Property" means all rights in intellectual property of any type throughout the world, including, but not limited to: (i) patents, patent applications and statutory invention registrations, including, but not limited to, continuations, continuations-in-part, divisions, provisional and non-provisional, reexaminations, reissues and extensions; (ii) trademarks, service marks, trade names, brand names, logos and corporate names, slogans and other indicia of source of origin, whether or not registered, including all common law rights thereto and all goodwill associated therewith, and registrations and applications for registration thereof; (iii) copyrights, whether registered or common law, and registrations and applications for registration thereof; (iv) trade secrets and know-how; (v) domain names; (vi) rights of publicity and privacy, rights to personal information and moral rights; (vii) shop rights; (viii) inventions (whether patentable or unpatentable), invention disclosures, mask works, industrial design rights, discoveries, ideas, developments, data, software, confidential or proprietary technical, business and other information, including, but not limited to processes, techniques, methods, formulae, designs, algorithms, prospect lists, customer lists, projections, analyses, and market studies, and all rights therein and thereto; (ix) all rights to any of the foregoing provided in international treaties and convention rights; (x) the right and power to assert, defend and recover title to any of the foregoing; and (xi) all rights to assert, defend and recover for any past, present and future infringement, misuse, misappropriation, impairment, unauthorized use or other violation of any of the foregoing; (xii) all administrative rights arising from the foregoing, including the right to prosecute applications and oppose, interfere with or challenge the applications of others, the rights to obtain renewals, continuations, divisions, and extensions of legal protection pertaining to any of the foregoing and (xiii) all adaptations, derivatives, modifications, developments, enhancements and improvements of the Intellectual Property.

SC authorizes and requests the Commissioner of Patents and Trademarks to record OG as the owner of the entire right, title and interest in and to the Trademarks, for the sole use and enjoyment of the OG, its successors, assigns or other legal representatives. SC further agrees, for itself, its successors and assigns, to execute such further documents and to perform such further lawful acts as may reasonably be requested by OG, to effectuate this assignment.
