TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this “*Assignment*”), dated as of October 15, 2020 (the “*Effective Date*”), is made by and between Lauren Innovations, LLC, an Ohio limited liability company (“*Assignor*”), and Navigate360, LLC, a Nevada limited liability company, located at 3900 Kinross Lakes Parkway, 2nd Floor, Richfield, Ohio 44286 (“*Assignee*”).

WHEREAS, Assignor is the owner of the entire right, title, and interest in, to, and under the trademarks identified and set forth on Schedule A (collectively, the “*Trademarks*”) and the goodwill associated with all of the foregoing; and

WHEREAS, Assignee wishes to acquire all of Assignor’s right, title, and interest in and to the Trademarks and the goodwill associated therewith.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

Assignor hereby irrevocably conveys, assigns, transfers, and sets over to Assignee all of Assignor’s right, title, and interest in and to the Trademarks, together with the goodwill of the business in connection with which the Trademarks are used, and all registrations, applications, renewals, and extensions of the foregoing, now or hereafter in effect, for Assignee’s own use and enjoyment, and for the use and enjoyment of Assignee’s successors, assigns, or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment had not been made, together with all income, royalties, or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present, or future infringement or other unauthorized use of the Trademarks, with the right to sue for and collect the same for Assignee’s own use and enjoyment and for the use and enjoyment of its successors, assigns, or other legal representatives.

Assignor authorizes and requests the applicable government authorities to record Assignee as the assignee and owner of the Trademarks, and issue any and all registrations thereon to Assignee, as assignee of the entire right, title, and interest in, to, and under the same, for the sole use and enjoyment of Assignee and its successors, assigns, or other legal representatives.

Assignor agrees to execute any and all documents or instruments, and to perform such other acts as may be necessary or expedient to further the purposes of this Assignment.
