TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT is dated as of this 4th day of June, 2020 (the "Assignment"), by and between **Roplan Holding AB**, a limited liability company (Aktiebolag) of the country of Sweden, having its principal place of business at Ostmästargränd 8A, SE-120 40 Årsta, Sweden (hereinafter "Assignor"), and **Quadro Engineering Corporation**, a corporation of the country of Canada, having its principal place of business at 613 Colby Drive, Waterloo, Ontario, N2V 1A1, Canada (hereinafter "Assignee").

WHEREAS, Assignor owns the trademark applications and registrations identified on the attached Schedule A; and

WHEREAS, Assignor agrees to sell, assign, convey and transfer to Assignee all right, title and interest in each such trademark applications and registrations listed on Schedule A, all goodwill associated therewith and all related and corresponding rights in any jurisdiction in the world (collectively, the "Marks").

NOW THEREFORE, in consideration of the mutual promises and covenants set forth herein, the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound hereby, each party hereto agrees as follows:

1. **Assignment.** Assignor hereby irrevocably sells, assigns, conveys, transfers and sets over to Assignee, its successors and assigns the entire worldwide right, title and interest in and to the Marks, the ongoing and existing business of Assignor to which the Marks pertain, the goodwill of the business symbolized by the Marks, and all registrations that have been or may be granted thereon, all applications for registrations thereof, and all common law rights and copyright rights in the Marks worldwide, together with all rights and privileges granted and secured thereby, including all rights to register, renew, defend and protect interests therein under the applicable laws of all jurisdictions and all claims, demands, income, damages, royalties, payments, accounts and accounts receivable now or hereafter due and/or payable, and rights of action, both statutory and based upon common law, that Assignor has or might have by reason of any past, present or future infringement or other violation of the Marks prior to, on, or after the date of this Assignment, together with the right to prosecute such claims, demands, and rights of action in Assignee's own name, all of said rights to be held and enjoyed by Assignee, for its own use and benefit and for the use and benefit of its successors, assigns or other legal representatives as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.

2. **Assumption of Liabilities.** Subject to the terms and conditions set forth herein, Assignee shall assume and agree to pay, perform and discharge the liabilities and obligations of Assignor of any kind, character or nature whatsoever (whether known or unknown, accrued, absolute, contingent, determined, determinable or otherwise, and whether arising or to be performed prior

to, on or after the Closing) to the extent relating to the Marks (collectively, the "**Assumed Liabilities**"). Other than the Assumed Liabilities, Assignee shall not assume any liabilities or obligations of Assignor of any kind, whether known or unknown, contingent, matured or otherwise, whether currently existing or hereinafter created.

3. **Purchase Price.** The aggregate purchase price for the Marks shall be SEK 9,750,000 (the "**Purchase Price**"), plus the assumption of the Assumed Liabilities. The Assignee shall pay the Purchase Price to Assignor on or before June 9, 2020 via wire transfer.

4. **Authorization.** Assignor authorizes and requests the Commissioners of Patents and Trademarks and corresponding entities or agencies in any applicable foreign countries, to record Assignee as owner of the Marks, as assignee of the entire right, title and interest in, to and under the same, for the sole use and enjoyment of Assignee, its successors, assigns or other legal representatives.

5. **Further Assurances.** Assignor agrees that at any time and from time to time after the date hereof, at the reasonable request of Assignee and without further consideration, Assignor shall execute and deliver such other instruments and take such action as Assignee may reasonably request to transfer, convey and assign to Assignee, and to confirm Assignee's right, title and interest in and to the Marks and to assist Assignee in exercising all rights with respect thereto.

6. **No Conflicts.** Assignor hereby covenants and agrees that it has the full right to convey its entire interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict herewith.

7. **Miscellaneous.** This Assignment may only be amended by written agreement of the parties. This Assignment may be executed and delivered by facsimile or portable document format in two or more counterparts, each of which shall be an original and all of which together shall constitute one and the same instrument. This Assignment shall be binding upon the parties, their heirs, successors and assigns, and all others acting by, through, with or under their direction, and all those in privity therewith.

[Signatures Follow on Next Page]

IN WITNESS WHEREOF, the Assignor has duly executed this Trademark Assignment on the aforesaid date.

Assignor:

Roplan Holding AB

By: Neil Thompson
Its: Director

Accepted and Acknowledged by Assignee:

Quadro Engineering Corporation
