RECITALS

WHEREAS, Assignor is the owner of the service marks and federal service mark registrations set forth in Exhibit A attached hereto (the “**Assigned Marks**”);

WHEREAS, pursuant to the Asset Purchase Agreement, dated September 19, 2020, between Assignor and Purchaser (the “**Asset Purchase Agreement**”), Assignor agreed to sell, transfer and assign the Assigned Marks to Purchaser; and

WHEREAS, Purchaser has elected and directed Assignor to assign the Assigned Marks to Purchaser’s parent company, Assignee.

NOW THEREFORE, in consideration of the foregoing and the consideration received by Assignor pursuant to the Asset Purchase Agreement, the receipt and sufficiency of which are hereby acknowledged, Assignor agrees as follows:

1. Assignment. Assignor hereby sells, transfers, assigns and delivers to Assignee all of Assignor’s rights, title, and interests in and to the Assigned Marks, together with the goodwill of the business connected with the use of, and symbolized by, the Assigned Marks, all rights to sue for and recover and retain past and future legal or equitable relief including damages, costs, expenses, and attorneys’ fees for infringement of the Assigned Marks, and any and all common law rights, state and federal registrations, including without limitation those set forth in Exhibit A, applications for registration, applications for renewal, extensions, and foreign counterparts therefor under the laws now or hereafter in effect in the United States and in any other jurisdiction, the same to be held and enjoyed by Assignee, its successors and assigns from and after the date hereof as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made.

2. Use of the Mark. Assignor has used the Assigned Marks in commerce commercially continually on or in connection with all the services specified in the registrations described in Exhibit A since the date of its registration.

3. Further Assurances. Assignor agrees that it will from time to time, at the request of Assignee or Purchaser and without further cost or expense to Assignee or Purchaser, execute and deliver to Assignee such other instruments of conveyance and transfer and other documents and take such other action as Assignee or Purchaser may reasonably request to vest in Assignee clear ownership of the Assigned Marks, and to enable Assignee to realize upon or otherwise to enjoy the Assigned Marks, and to carry into effect the intent and purposes of this Assignment.

4. Governing Law. This Assignment shall be construed, interpreted, and enforced in accordance with the laws of the State of Nebraska (other than the choice of law rules thereof).
