9.9 Receiver's indemnity

The Chargor agrees to indemnify and hold harmless the Receiver from and against all actions, claims, expenses, demands and liabilities (save where the same is due to gross negligence or wilful misconduct of the Receiver) whether arising out of contract or tort or in any other way incurred or which may at any time be incurred by him or by any manager, agent, servant or other employee for whose debt, default or miscarriage he may be answerable for anything done or omitted to be done in the exercise or purported exercise of his powers under the provisions of, or pursuant to, this Deed.

10. Other matters relating to enforcement

10.1 Consideration on disposal

- (a) In making any sale or other disposal of any of the Collateral in the exercise of their respective powers (including a disposal by the Receiver to any such subsidiary as is referred to in paragraph (d) of Clause 9.5 (*Powers of Receiver - Form subsidiaries*)) the Receiver or the Bank may accept, by way of consideration for such sale or other disposal, cash, shares, loan capital or other obligations, including without limitation consideration fluctuating according to or dependent upon profit or turnover and consideration the amount of which is to be determined by a third party.
- (b) Any such consideration may be receivable in a lump sum or by instalments and upon receipt by the Receiver shall automatically be and become charged with the payment of the Secured Obligations.
- (c) Any contract for any such sale or other disposal by the Receiver or the Bank may contain conditions excluding or restricting the personal liability of the Receiver or the Bank.

10.2 Application of proceeds

All monies received by the Bank or any Receiver or administrator appointed under this Deed shall (subject to the rights and claims of any person having a security ranking in priority to the

security created by or pursuant to this Deed, or as otherwise required by law) be applied in the following order:

- (a) in the payment of or provision for all costs, charges and expenses incurred and payments made by the Bank and in the payment of all costs, charges and expenses of and incidental to the Receiver's or (as the case may be) administrator's appointment and the payment of his remuneration;
- (b) in the payment and discharge of any liabilities incurred by the Receiver or administrator on the Chargor's behalf in the exercise of any of the powers of the Receiver or administrator;
- (c) in providing for the matters (other than the remuneration of the Receiver or administrator) specified in the first three paragraphs of section 109(8) of the Act;
- (d) in or towards payment of any debts or claims which are by statute payable in preference to the Secured Obligations but only to the extent to which such debts or claims have such preference;
- (e) in or towards the satisfaction of the Secured Obligations,

and any surplus shall be paid to the Chargor or other person entitled to it.

10.3 Section 109 of the Act

The provisions of Clause 10.2 (*Application of proceeds*) and of Clause 9.7 (*Receiver's remuneration*) shall take effect as and by way of variation and extension to the provisions of section 109 of the Act, which provisions as so varied and extended shall be deemed incorporated in this Deed.

10.4 Right of appropriation

To the extent that the Collateral constitutes "financial collateral" and this Deed and the obligations of the Chargor under it constitute a "security financial collateral arrangement" (in each case as defined in, and for the purposes of, the Financial Collateral Arrangements (No.2) Regulations 2003 (SI 2003 No. 3226) or (where the context admits) equivalent legislation in any applicable jurisdiction bringing into effect Directive 2002/47/EC on financial collateral arrangements), the Bank and each Receiver shall have the right at any time when the security created by this Deed is enforceable to appropriate all or any part of such financial collateral in or towards satisfaction of the Secured Obligations. For the purposes of this Clause 10.4 (*Right of appropriation*) the value of the financial collateral appropriated shall be such amount as the Bank or the Receiver determines having taken into account advice obtained by it from an independent investment or accountancy firm of national standing selected by it.

11. No liability as mortgagee in possession

The Bank shall not, nor shall any Receiver, by reason of it or such Receiver entering into possession of the Collateral be liable to account as mortgagee in possession or be liable for any loss on realisation or for any default or omission which a mortgagee in possession might be liable except for its gross negligence or wilful misconduct.

12. Expenses**12.1 Expenses of preservation and enforcement**

All costs, charges and expenses incurred and all payments made by the Bank or any Receiver or administrator appointed under this Deed in the preservation of any rights under this Deed or in the lawful exercise of the rights or powers conferred by this Deed or by law or in the enforcement of any guarantee in respect of the Secured Obligations, whether or not occasioned by any act, neglect or default of the Chargor, shall carry interest (both before and after judgment) at the Default Rate from the date incurred until the date the same are unconditionally and irrevocably paid and discharged in full.

12.2 Interest

The amount of such costs, charges, expenses and payments and interest referred to in Clause 12.1 (*Expenses of preservation and enforcement*) and all remuneration payable under this Deed shall be payable by the Chargor on demand. All such costs, charges, expenses and payments shall be paid and charged as between the Bank and the Chargor on the basis of a full indemnity and not on the basis of party and party or any other kind of taxation.

12.3 Indemnity

The Bank and every Receiver, administrator, attorney, manager, agent or other person appointed by the Bank under this Deed shall be entitled to be indemnified out of the Collateral in respect of all liabilities and expenses properly incurred by them in the execution or purported execution of any of the powers, authorities or discretions vested in them pursuant to this Deed and against all actions, proceedings, costs, claims and demands in respect of any matter or thing done or omitted in any way relating to the Collateral and the Bank and any such Receiver or administrator may retain and pay all sums in respect of the same out of any monies received under the powers conferred by this Deed.

12.4 Stamp duties

The Chargor shall pay and, immediately on demand, indemnify the Bank against any liability it incurs in respect of any stamp, registration and similar tax or duty which is or becomes payable in connection with the entry into, performance or enforcement of this Deed.

13. Power of Attorney**13.1 Appointment and powers**

The Chargor, by way of security, irrevocably appoints:

- (a) the Bank;
- (b) each and every person whom the Bank shall from time to time nominate in writing under the hand of any officer of the Bank;
- (c) each and any Receiver for the time being holding office as such; and
- (d) each and any administrator appointed by the Bank and for the time being holding office as such,

jointly and also severally its attorney and attorneys for it and in the name of the Chargor and otherwise on its behalf and as its act and deed to sign, seal, execute, deliver, perfect and do all

deeds, instruments, acts and things which may be reasonably required (or which the Bank or any such Receiver or administrator shall reasonably consider requisite) for carrying out any obligation imposed on the Chargor by or pursuant to this Deed or the Loan Agreement (including but not limited to the obligations of the Chargor under Clause 5.1 (*Further assurance*) and the statutory covenant referred to in such Clause), for carrying any sale, lease or other dealing by the Bank or such Receiver or administrator into effect, for conveying or transferring any legal estate or other interest in land or other property or asset, for getting in the Collateral, to endorse the Chargor's name on cheques and other forms of payment or security, to sign the Chargor's name on any invoice or bill of lading or draft and generally for enabling the Bank and the Receiver or administrator to exercise the respective powers conferred on them by or pursuant to this Deed or by law provided that the power conferred by this Clause 13.1 (*Appointment and powers*) shall be immediately exercisable at any time when the security constituted by this Deed is enforceable and not otherwise.

13.2 Delegation

The Bank shall have full power to delegate the power conferred on it by Clause 13.1 (*Appointment and powers*), but no such delegation shall preclude the subsequent exercise of such power by the Bank itself or preclude the Bank from making a subsequent delegation to some other person; and any such delegation may be revoked by the Bank at any time.

13.3 Ratification

The Chargor shall ratify and confirm all transactions entered into by the Bank or such Receiver or administrator or delegate of the Bank in the exercise or purported exercise of their respective powers and all transactions entered into, documents executed and things done by any of them by virtue of the power of attorney given by Clause 13.1 (*Appointment and powers*).

13.4 Expenses

All money properly and reasonably expended by any such attorney shall be deemed to be expenses incurred by the Bank under this Deed.

14. Protection of purchasers

No purchaser or other person dealing with the Bank or its delegate or any Receiver or administrator appointed under this Deed shall be bound to see or inquire whether the right of the Bank or such Receiver or administrator to exercise any of its or his powers has arisen or become exercisable or be concerned with notice to the contrary, or be concerned to see whether any such delegation by the Bank shall have lapsed for any reason or been revoked.

15. Subsequent charges

If the Bank receives, or is deemed to be affected by, notice, whether actual or constructive, of any subsequent security or other interest affecting any Collateral and/or the proceeds of sale of any Collateral, the Bank may open a new account for the Chargor. If the Bank does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received or was deemed to have received notice. As from that time all payments made to the Bank will be credited or be treated as having been credited to the new account and will not operate to reduce any amount for which this Deed is security.

16. Redemption of prior mortgages

The Bank may, at any time when the security created by this Deed is enforceable, redeem any prior security against the Collateral or procure the transfer of such prior security to itself and may settle and pass the accounts of the prior security holder. Any accounts so settled and passed shall be conclusive and binding on the Chargor. All principal monies, interest, costs, charges and expenses of, and incidental to, such redemption and transfer shall be paid by the Chargor to the Bank on demand.

17. Set-off**17.1 Consolidation of accounts**

In addition to any general lien or similar right which it may be entitled to exercise at any time under any contract or arrangement with the Chargor or by operation of law, the Bank shall have the right at any time when the security created by this Deed is enforceable without notice to the Chargor to combine or consolidate all or any of the Chargor's then existing accounts opened pursuant to this Deed or otherwise with the Bank with any liabilities of the Chargor to the Bank and to set off or transfer any sum or sums standing to the credit of any one or more of such accounts in or towards satisfaction of any of the liabilities of the Chargor to the Bank on any other such account or in any other respect. The liabilities referred to in this Clause 17.1 (*Consolidation of accounts*) may be actual, contingent, primary, collateral, several or joint liabilities, and the accounts, sums and liabilities referred to in this Clause may be denominated in any currency.

17.2 Set-off

In addition to any right which it may be entitled to exercise at any time under any contract or arrangement with the Chargor or by operation of law, at any time when this Deed is enforceable the Bank may set off any Secured Obligations due and payable by the Chargor against any obligation (whether or not matured) owed by the Bank to the Chargor regardless of the place of payment or currency of either obligation. If the obligations are in different currencies, the Bank may convert any obligation in the manner provided in Clause 19 (*Currency*).

18. Payments**18.1 Manner of payment**

All payments to be made by the Chargor under this Deed shall be made in the same currency in which the relevant Secured Obligations are expressed to be payable.

18.2 Appropriation of payments

The Bank shall have an absolute and unfettered right to appropriate any payments received from the Chargor to such indebtedness of the Chargor under the Loan Documents as the Bank may determine, to the exclusion of any right on the part of the Chargor to make an appropriation in respect of such payments.

19. Currency**19.1 Currency indemnity**

If any sum due from the Chargor under this Deed (a "**Sum**"), or any order, judgment or award given or made in relation to a Sum, has to be converted from the currency (the "**First Currency**") in which that Sum is payable into another currency (the "**Second Currency**") for the purpose of:

- (a) making or filing a claim or proof against the Chargor; or
- (b) obtaining or enforcing an order, judgment or award in relation to any litigation or arbitration proceedings,

the Chargor shall as an independent obligation, within three Business Days of demand, indemnify the Bank against any cost, loss or liability arising out of or as a result of the conversion including any discrepancy between (i) the rate of exchange used to convert that Sum from the First Currency into the Second Currency and (ii) the rate or rates of exchange available to the Bank at the time of its receipt of that Sum.

19.2 Waiver

The Chargor waives any right it may have in any jurisdiction to pay any amount under this Deed in a currency other than that in which it is expressed to be payable.

20. Suspense account

For so long as any of Secured Obligations is outstanding, all monies received, recovered or realised by the Bank under this Deed (including the proceeds of any conversion of currency) may in the discretion of the Bank be credited to an interest bearing suspense or impersonal account and may be held in such account for so long as the Bank may think fit.

21. The Bank's remedies**21.1 Effect of release**

Any receipt, release or discharge of the security provided by, or of any liability arising under, this Deed shall not release or discharge the Chargor from any liability to the Bank for the same or any other liability which may exist independently of this Deed.

21.2 Arrangements with third parties

The Bank may in its discretion grant time or other indulgence, or make any other arrangement, variation or release with, any person or persons not party to this Deed (whether or not such person or persons are jointly liable with the Chargor) in respect of any of the Secured Obligations or of any other security for, or guarantee in respect of, the Secured Obligations, without prejudice either to the security created by or pursuant to this Deed or to the liability of the Chargor for the Secured Obligations or the exercise by the Bank of any rights, remedies and privileges conferred upon it by this Deed.

21.3 Rights cumulative

The rights, powers and remedies provided in this Deed are cumulative and are not, nor are they to be construed as, exclusive of any rights, powers or remedies provided by law, or under any other document or agreement.

21.4 Waiver

No failure by the Bank to exercise, or delay in exercising, any right or remedy provided by this Deed or by law, shall operate as a waiver of such right or remedy, nor shall any single or partial waiver of any right or remedy preclude any further or other exercise of that right or remedy or the exercise of any other such right or remedy.

21.5 Costs

All the costs, charges and expenses (in the case of legal fees, subject to any agreed cap) of the Bank properly incurred in relation to the negotiation, preparation, printing, execution, registration and perfection of this Deed shall be reimbursed by the Chargor to the Bank within five Business Days of demand on a full indemnity basis and unless so paid shall carry interest from the date incurred to the date of reimbursement at the Default Rate.

21.6 Insolvency relation back

- (a) Any settlement or discharge between the Bank and the Chargor shall be conditional upon no security of, or payment to, the Bank (whether by the Chargor or otherwise) being avoided or reduced or required to be paid away by virtue of any requirement (whether or not having the force of law) or enactment, whether relating to bankruptcy, insolvency, liquidation, administration or otherwise, at any time in force or by virtue of any obligation to give effect to any preference or priority and the Bank shall be entitled to recover the value or amount of any such security or payment from the Chargor as if such settlement or discharge had not occurred.
- (b) If the Bank reasonably considers that an amount paid by the Chargor (or any other person) to the Bank under any contract or agreement giving rise to, concerning or securing the Secured Obligations is capable of being avoided or set aside on the winding-up or administration of the Chargor or such other person or otherwise then that amount shall not be considered to have been irrevocably paid for the purposes of this Deed.

22. Provisions severable

Every provision contained in this Deed shall be severable and distinct from every other provision and if at any time any one or more of such provisions is or becomes invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining such provisions shall not in any way be affected.

23. The Bank's discretion

Subject to any provision expressly to the contrary and subject to any duty imposed by general law, any power which may be exercised or any determination which may be made under this Deed by the Bank may be exercised or made in the absolute and unfettered discretion of the Bank.

24. Certificates

Any certification or determination by the Bank of a rate or amount under this Deed is, in the absence of manifest error, conclusive evidence of the matters to which it relates.

25. Assignment

- (a) The Bank shall be entitled at any time to assign all or any of its rights and benefits under this Deed to any person to whom the rights and benefits of the Bank under the Loan Agreement are assigned or transferred in accordance with its terms and this Deed shall remain in full force and effect after, and shall continue to secure the Secured Obligations after and resulting from, any such assignment or transfer.
- (b) The Chargor shall enter into any documents specified by the Bank to be necessary to give effect to any assignment or transfer contemplated by paragraph (a) of this Clause 25 (*Assignment*).
- (c) The Bank may disclose such information about the Chargor and the assets as the Bank thinks fit to a potential assignee or transferee of all or any part of its rights under this Deed, or to any person who may otherwise enter into contractual relations with the Bank in relation to any of the Secured Obligations, or to any person to whom, and to the extent that, information is required to be disclosed by any applicable law or regulation, or to any person at any time when the security created by this Deed is enforceable or the disclosure is in connection with the protection or enforcement of the Bank's rights under this Deed.
- (d) The Chargor may not assign or transfer all or any part of its rights and/or obligations under this Deed.

26. Release

Upon the expiry of the Security Period (but not otherwise), the Bank will, at the request and cost of the Chargor, take whatever action is necessary to release the Collateral from the security created by this Deed.

27. Third party rights

Unless expressly provided to the contrary in this Deed, a person who is not a party to this Deed has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce or enjoy the benefit of any term of this Deed. Notwithstanding any provision of this Deed, the consent of any person who is not a party to this Deed is not required to rescind or vary this Deed at any time.

28. Counterparts

This Deed may be executed in any number of counterparts and by the different parties on separate counterparts and this will have the same effect as if the signatures on the counterparts were on a single copy of this Deed and each such counterpart shall be treated as an original.

29. Notices

Any notice or other communication to be made under or in connection with this Deed or by applicable law shall be made as provided in the Loan Agreement.

30. Governing law and jurisdiction**30.1 Governing law**

This Deed and any non-contractual obligations arising out of or in connection with it shall (save to the extent expressly stated to the contrary) be governed by English law..

30.2 Jurisdiction

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute relating to the existence, validity or termination of this Deed or any non-contractual obligation arising out of or in connection with this Deed) (a "**Dispute**").
- (b) The parties to this Deed agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.
- (c) This Clause 30.2 (*Jurisdiction*) is for the benefit of the Bank only. As a result, the Bank shall not be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Bank may take concurrent proceedings in any number of jurisdictions.
