TERMINATION AND RELEASE OF INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Termination and Release of Intellectual Property Security Agreement (this "<u>IP</u> <u>Release</u>") is made as of February 22, 2021, by **PALM TREE CAPITAL MANAGEMENT, LP** in its capacity as collateral agent for itself and the other Secured Parties (as defined in the Security Agreement referred to below) (in such capacity, the "<u>Collateral Agent</u>"), and C3 NANO, INC., a Delaware corporation ("<u>Grantor</u>").

WHEREAS, pursuant to that certain Security Agreement, dated as of January 20, 2021 (as amended, supplemented and/or otherwise modified, the "Security Agreement"), by and between the Grantor and Collateral Agent, for the benefit of the Secured Parties, a security interest in all of Grantor's right, title and interest, whether presently existing or hereafter acquired, in, to and under all of the Collateral was granted by the Grantor to the Collateral Agent for the benefit of the Secured Parties. Capitalized terms used herein but not otherwise defined herein shall have the meanings set forth in the Security Agreement.

WHEREAS, pursuant to that certain Intellectual Property Security Agreement, dated as of January 20, 2021 (the "IP Security Agreement"), the Grantor granted and pledged to the Collateral Agent, for the benefit of the Secured Parties, a security interest (the "Security Interest") in all of Grantor's right, title and interest in, to and under its Intellectual Property (including without limitation those Copyrights, Patents and Trademarks listed on Exhibits A, B and C thereto), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto through the world and all re-issues, divisions, continuations, renewals, extensions and continuations-in-part thereof (but excluding any Excluded Assets) and the Intellectual Property Licenses (the "Copyright, Patent and Trademark Collateral");

WHEREAS, the IP Security Agreement was recorded with the Patent Division of the United States Patent and Trademark Office on January 21, 2021 at Reel 055060, Frame 0840 for the Patents listed on Exhibit B attached hereto;

WHEREAS, the IP Security Agreement was recorded with the Trademark Division of the United States Patent and Trademark Office on January 21, 2021 at Reel 007166, Frame 0657 for the Trademarks listed on Exhibit C attached hereto;

WHEREAS, the Grantor has requested that the Collateral Agent execute this IP Release in order to terminate and release the Collateral Agent's Security Interest in the Copyright, Patent and Trademark Collateral.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged:

1. <u>Release of Lien</u>. The Collateral Agent hereby terminates the IP Security Agreement and hereby terminates, cancels and releases the Security Interest and all other liens and security interests that it has in, to and under the Copyright, Patent and

DB1/ 119036590.2 18646.001 4847-0651-9772.1 Trademark Collateral including, without limitation, (a) those Patent registrations and applications referred to on Exhibit B attached hereto and all reissues, continuations, divisions, continuations-in-part, renewals or extensions thereof, and (b) all Trademark registrations and applications referred to on Exhibit C attached hereto and all extensions or renewals thereof, all goodwill associated therewith or symbolized thereby, all other assets, rights and interests that uniquely reflect or embody such goodwill and all renewals of the foregoing.

- 2. <u>Authorization to Record</u>. The Collateral Agent authorizes and requests that the United States Patent and Trademark Office and any applicable government officer record this IP Release.
- 3. <u>Further Assurances</u>. The Collateral Agent agrees to take all further actions and provide to Grantor, their successors, assigns or other legal representatives, all such cooperation and assistance (including, without limitation, the execution and delivery of documents or other instruments), reasonably requested by Grantor to more fully and effectively effectuate the purposes of this IP Release, at Grantor's sole cost and expense, and without representation or warranty by the Collateral Agent.
- 4. <u>Governing Law</u>. This IP Release is made under and governed by the laws of the State of New York applicable to contracts made and to be performed entirely within such State, without regard to conflicts of laws principles.

This IP Release may be executed in any number of separate counterparts, each of which shall, collectively and separately, constitute one agreement.
