SHORT FORM TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT, dated as of February 19, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Trademark Security Agreement”), is made by the Person listed on the signature pages hereof (the “Grantor”) in favor of JPMorgan Chase Bank, N.A. (“JPMorgan”), as Collateral Agent (the “Collateral Agent”) for the Secured Parties. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement (as defined below) and the Security Agreement referred to therein.

WHEREAS, Kingland Target, LLC, a Delaware limited liability company (the “Borrower”), Kingland Intermediate, LLC, a Delaware limited liability company (“Holdings”), JPMorgan, as administrative agent for the Lenders and as collateral agent for the Secured Parties, each L/C Issuer and Swing Line Lender from time to time party thereto and each lender from time to time party thereto (collectively, the “Lenders” and individually, a “Lender”) have entered into the Credit Agreement, dated as of February 19, 2021 (the “Closing Date”) (as amended, restated, amended and restated, extended, replaced, refinanced, supplemented or otherwise modified from time to time, the “Credit Agreement”), pursuant to which the Lenders have severally agreed to make Loans, the L/C Issuers to issue Letters of Credit, the Hedge Banks to enter into Secured Hedge Agreements and the Cash Management Banks to enter into agreements in respect of Cash Management Obligations upon the terms and subject to the conditions therein.

WHEREAS, in connection with the Credit Agreement, the Grantor has entered into the Security Agreement, dated as of the Closing Date (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”), in order to induce the Lenders to make Loans, the L/C Issuers to issue Letters of Credit and certain other Secured Parties to make other financial accommodations to the Borrower and the Restricted Subsidiaries.

WHEREAS, under the terms of the Security Agreement, the Grantor has granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in, among other property, certain Intellectual Property of the Grantor, and has agreed as a condition thereof to execute this Trademark Security Agreement for recording with the United States Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees as follows:

SECTION 1. Grant of Security. The Grantor hereby grants to the Collateral Agent for the benefit of the Secured Parties a security interest in all of the Grantor’s right, title and interest in and to the following (the “Collateral”), in each case, other than Excluded Property:

- (a) all Trademarks, including the registered Trademarks and Trademarks for which applications are pending in the United States Patent and Trademark Office that are set forth in Schedule A hereto (excluding any Excluded Property); and
- (b) all Proceeds and products of the foregoing; and
- (c) all causes of action arising prior to or after the date hereof for infringement of any of the Trademarks or unfair competition regarding the same.

SECTION 2. Security for Obligations. The grant of a security interest in the Collateral by the Grantor under this Trademark Security Agreement secures the payment of all Obligations of the Grantor

now or hereafter existing whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise. Without limiting the generality of the foregoing, this Trademark Security Agreement secures, as to the Grantor, the payment of all amounts that constitute part of the secured Obligations and that would be owed by the Grantor to any Secured Party but for the fact that such secured Obligations are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving the Grantor.

SECTION 3. Recordation. This Trademark Security Agreement has been executed and delivered by the Grantor party hereto for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The Grantor authorizes and requests that the Commissioner for Patents and the Commissioner for Trademarks record this Trademark Security Agreement.

SECTION 4. Execution in Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Trademark Security Agreement by facsimile or other electronic transmission (including “.pdf” or “.tif” files) shall be effective as delivery of an original executed counterpart of this Trademark Security Agreement.

SECTION 5. Grants, Rights and Remedies. This Trademark Security Agreement has been entered into in conjunction with the provisions of the Security Agreement. The Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Collateral Agent with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Trademark Security Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 6. Governing Law. This Trademark Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York. The provisions of Section 6.09(b) of the Security Agreement are incorporated herein, mutatis mutandis.

SECTION 7. Severability. In case any one or more of the provisions contained in this Trademark Security Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Security Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 8. Conflicts; Acceptable Intercreditor Agreement. Notwithstanding anything herein to the contrary, the Liens and Security Interest granted to the Collateral Agent pursuant to this Trademark Security Agreement and the exercise of any right or remedy by the Collateral Agent hereunder are subject to the provisions of any Acceptable Intercreditor Agreement entered into after the date hereof. In the event of any conflict between the terms of any Acceptable Intercreditor Agreement entered into after the date hereof and this Trademark Security Agreement, the terms of such Acceptable Intercreditor Agreement shall govern and control.

[Signature Pages Follow]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
