As security for the payment or performance when due, as the case may be, in full of the Obligations, Pledgor, pursuant to the Security Agreement, hereby grants to BANA, its successors and permitted assigns, a security interest in all right, title and interest in or to any and all Trademarks now owned or at any time hereafter acquired by Pledgor or in which Pledgor now has or at any time in the future may acquire any right, title or interest, including those listed on Schedule I (collectively, the "Trademark Collateral"); provided, however, that the Trademark Collateral shall not include any intent-to-use United States trademark applications for which an amendment to allege use or statement of use has not been filed under 15 U.S.C. §1051(c) or 15 U.S.C. §1051(d), respectively, or, if filed, has not been deemed in conformance with 15 U.S.C. §1051(a) or examined and accepted by the United States Patent and Trademark Office.

SECTION 3. Security Agreement. The security interests granted to BANA herein are granted in furtherance, and not in limitation of, the security interests granted to BANA pursuant to the Security Agreement. Pledgor hereby acknowledges and affirms that BANA's rights and remedies with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein.
