THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (this "Agreement") is made and entered into as of March 26, 2021, by and between PROSUPPLY, LLC, a Delaware limited liability company ("Grantor"), and JPMorgan Chase Bank, N.A. (together with its successors and assigns, the "Secured Party"). Capitalized terms used herein but not otherwise defined herein shall have the meanings ascribed to such terms in the Credit Agreement (defined below).

### Recitals:

A. Grantor and the Secured Party are the parties to that certain Credit Agreement dated as of the date hereof (as the same may be amended, restated, modified, extended or supplemented from time to time, the "Credit Agreement"), providing for a term loan in the amount of \$15,000,000.00 and a revolving credit facility in the initial aggregate principal amount of up to \$5,000,000.

B. It is a condition precedent to the effectiveness of the Credit Agreement that Grantor execute and deliver this Agreement.

C. This Agreement is made for the benefit of the Secured Party.

### Agreements:

NOW THEREFORE, in consideration of the foregoing Recitals, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor and the Secured Party hereby agree as follows:

1. SECURITY INTEREST IN PATENTS, TRADEMARKS, COPYRIGHTS, ETC. Grantor hereby grants to the Secured Party a security interest in and continuing Lien on, with (only upon the occurrence and during the continuance of an Event of Default) power of sale to the extent permitted by applicable law, all of Grantor's right, title and interest in all U.S. and foreign patents, trademarks, copyrights, trade names, assumed names, service marks, patent applications, trademark applications, trade name applications, service mark applications, copyright applications, design rights and trade secrets and the inventions and improvements described and claimed in the patents and patent applications (together with the items described in clauses (a) through (d), below, the "Proprietary Collateral"), whether now owned or existing and filed or hereafter acquired or arising and filed, including, without limitation, the Proprietary Collateral listed on Exhibit A attached hereto and made a part hereof, and (a) the reissues, divisions, continuations, renewals, extensions and continuations in part thereof, (b) all income, royalties, damages and payments now and hereafter due and/or payable under and with respect thereto, including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past or future infringements thereof, (c) the right to sue for past, present and future infringements thereof, and (d) all rights corresponding thereto throughout the world. In addition, without limitation of the foregoing, with respect to any applications by Grantor for a trademark based on an intent to use the same, if and so long as such application is pending without an Amendment to Allege Use or a Statement of Use having been filed and accepted (such pending applications which are based on intent to use being hereinafter referred to collectively as "Intent-To-Use Applications"), the Proprietary Collateral shall include only a security interest for collateral purposes in such Intent-To-Use Application and not a sale, transfer, conveyance or other assignment thereof.

2. OBLIGATIONS AND LIABILITIES SECURED. The security interests of the Secured Party under this Agreement secure (a) the full and prompt performance and observance of all of the terms, conditions and agreements contained in the Credit Agreement and the other Loan Documents, including,

without limitation, the Obligations to be performed or observed by Grantor, (b) the punctual full payment of the principal of and interest on the Loans, in accordance with the terms and provisions of the Credit Agreement (including interest accruing under the Credit Agreement after the commencement of any case or proceeding under any state or federal bankruptcy, insolvency or similar law (a "Proceeding") to the extent that a claim for such interest is allowable in such a Proceeding ("Post-Petition Interest")), (c) the performance and observance of the terms, conditions and agreements hereinafter contained, (d) the full performance and observance of all of the other terms, conditions and agreements contained in all of the other Loan Documents, and (e) any and all other indebtedness of Grantor to the Secured Party, including Post-Petition Interest (all of which are referred to herein collectively as the "Secured Obligations").

3. NEW PATENTS, TRADEMARKS, COPYRIGHTS, ETC. If, prior to the termination of this Agreement, Grantor shall (a) obtain rights to any new patentable inventions, or (b) become entitled to the benefit of any patent, trademark, copyright, trade name, service mark, patent application, trademark application, service mark application, license or any reissue, division, continuation, renewal, extension or continuation in part of any of the same or any improvement on any of the same, the provisions of Paragraph 1 above, shall automatically apply thereto and such patents, trademarks, trade names, service marks, patent applications, trademark applications, service mark applications, licenses, etc. shall automatically become Proprietary Collateral hereunder and shall be subject to the security interests described herein. Grantor hereby authorizes the Secured Party to modify this Agreement by amending Exhibit A to include any future patents, trademarks, copyrights, trade names, service marks, patent applications, trademark applications, service mark applications and Grantor agrees to execute any agreements, documents or instruments reasonably requested by the Secured Party to effectuate such amendment.

4. ROYALTIES; TERM. Grantor hereby agrees that the use by the Secured Party of the Proprietary Collateral as authorized hereunder shall be co-extensive with Grantor's rights thereunder and in respect thereof and without any liability for royalties or other related charges from the Secured Party to Grantor. The term of the security interest granted herein shall extend until the earlier of (a) the expiration or termination of each item of Proprietary Collateral, or (b) the date on which all Collateral (used herein as defined in the Security Agreement (as defined below)) has been released pursuant to the terms of the Credit Agreement and other Loan Documents.

5. TERMINATION OF SECURITY INTEREST. This Agreement is made for collateral security purposes only. Upon release of all of the Collateral pursuant to the provisions of the Credit Agreement, this Agreement shall terminate, and the Secured Party shall promptly execute and deliver to Grantor, at Grantor's expense, all termination statements and other instruments as may be necessary or proper to terminate the Secured Party's security interest in the Proprietary Collateral subject to any disposition thereof which may have been made by the Secured Party pursuant to this Agreement, the Credit Agreement or any of the other Loan Documents.

6. DUTIES OF GRANTOR. Grantor shall have the duty (a) to prosecute any patent application, trademark application and service mark applications that are part of the patents, trademarks or service marks pending as of the date hereof and thereafter until the termination of this Agreement; (b) to make application on unpatented but patentable inventions, as Grantor deems appropriate; (c) to take reasonable steps to preserve and maintain all of Grantor's rights in any material Proprietary Collateral, including, without limitation, as appropriate, the use in interstate commerce, the timely payment of fees and the making of filings; and (d) not to divest itself of any right under any Proprietary Collateral, in each case unless such Proprietary Collateral is (i) obsolete, (ii) no longer used in the operation of the business, or (iii) replaced. Any expense incurred in connection with the foregoing shall be borne by Grantor. Grantor shall not abandon any material pending patent application, trademark application, service mark application or patent,

trademark, copyright, trade name or service mark encumbered hereby and material to the operation or value of the business of Grantor without the prior written consent of the Secured Party.

7. INFRINGEMENT. Grantor represents and warrants to the Secured Party that Grantor owns and possesses, and will own or possess continuously throughout the term of this Agreement, the valid right to use the Proprietary Collateral, without any known conflict with the rights of others, and no litigation or proceeding is pending, or, to the knowledge of Grantor, threatened against Grantor, which might, if successful, adversely affect Grantor's interest in the Proprietary Collateral in any material respect.

8. ADDITIONAL REPRESENTATIONS AND WARRANTIES. Grantor represents and warrants that it is the true and lawful owner or licensee of the Proprietary Collateral listed in Exhibit A and that, to Grantor's knowledge, said listed Proprietary Collateral constitutes all the patents and patent applications, trademarks and trademark applications, copyrights, trade names, service marks and other Proprietary Collateral registered in the United States Patent and Trademark Office or United States Copyright Office, as applicable, that Grantor now owns or uses in connection with its business.

9. WAIVERS. No course of dealing between Grantor and the Secured Party, and no failure to exercise or delay in exercising on the part of the Secured Party any right, power or privilege hereunder, under the Credit Agreement or any of the other Loan Documents, shall operate as a waiver of any of the Secured Party's rights, powers or privileges. No single or partial exercise of any right, power or privilege hereunder, under the Credit Agreement or under any other Loan Document shall preclude any other or further exercise thereof, or the exercise of any other right, power or privilege.

10. SECURED PARTY'S EXERCISE OF RIGHTS AND REMEDIES UPON AN EVENT OF DEFAULT.

(a) Upon the occurrence and during the continuance of an Event of Default, the Secured Party may (to the extent permitted by law) exercise any and all rights and remedies provided in this Agreement, the Credit Agreement, the other Loan Documents, at law and in equity. In connection therewith following the occurrence and during the continuance of an Event of Default, the Secured Party shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the patents, trademarks, copyrights, trade names or service marks encumbered hereby and, if the Secured Party shall commence any such suit, Grantor shall, at the request of the Secured Party, do any and all lawful acts and execute any and all proper documents required by the Secured Party in aid of such enforcement. Grantor shall, upon demand, promptly reimburse the Secured Party for all reasonable out-of-pocket costs and other reasonable expenses including, without limitation, reasonable attorneys' fees and expenses, incurred by the Secured Party in the exercise of its rights under this Paragraph.

(b) Without limiting the generality of Subparagraph (a), above, if an Event of Default shall occur and be continuing, the Secured Party may by written notice to Grantor take any or all of the following actions: (i) declare the entire right, title and interest of Grantor in each of the patents, copyrights, trademarks, trade names and other Proprietary Collateral vested, in which event such right, title and interest shall immediately vest in the Secured Party, in which case Grantor agrees to execute an assignment in form and substance reasonably satisfactory to the Secured Party of all its right, title, and interest to such Proprietary Collateral to the Secured Party; (ii) take and practice, use or sell the Proprietary Collateral; and (iii) direct Grantor to refrain, in which event Grantor shall refrain, from using or practicing the Proprietary Collateral directly or indirectly, and Grantor shall execute such other and further documents as the Secured Party may reasonably request further to confirm this and to transfer ownership of the Proprietary Collateral to the Secured Party.

11. SEVERABILITY. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

12. MODIFICATION. This Agreement cannot be altered, amended or modified in any way, except as specifically provided in Paragraph 3 hereof or by a writing signed by the parties hereto.

13. CUMULATIVE REMEDIES; POWER OF ATTORNEY. All of the Secured Party's rights and remedies in respect of the Proprietary Collateral whether established hereby, by the Credit Agreement, by any of the Loan Documents or by law, shall be cumulative and may be exercised singularly or concurrently. Upon the occurrence and during the continuance of an Event of Default, Grantor hereby constitutes and appoints the Secured Party its true and lawful attorney-in-fact, with full power of substitution, with power to (a) endorse Grantor's name on all applications, documents, papers and instruments necessary or desirable for the Secured Party in the use of the Proprietary Collateral, (b) take any other actions in respect of the Proprietary Collateral as the Secured Party deems in the best interest of the Secured Party, (c) grant or issue any exclusive or non-exclusive license under the Proprietary Collateral to anyone, or (d) assign, pledge, convey or otherwise transfer title in or dispose of the Proprietary Collateral to anyone. Grantor hereby ratifies all that such attorney-in-fact shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable until all of the Collateral shall have been released pursuant to the terms of the Credit Agreement. Grantor hereby acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of the Secured Party under the Credit Agreement or any of the other Loan Documents, but rather is intended to facilitate the exercise of such rights and remedies. The Secured Party shall have, in addition to all other rights and remedies given to it by the terms of this Agreement, all rights and remedies allowed by law and all rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Proprietary Collateral may be located or deemed located.

14. APPLICATION OF PROCEEDS. All Collateral and proceeds of Collateral obtained and realized by the Secured Party from the exercise of remedies hereunder or under any other documents relating to this Agreement shall, unless otherwise required by the terms of the other Loan Documents or by applicable law, be applied in accordance with Section 5.2 of that certain Pledge and Security Agreement dated as of the date hereof between Grantor and the Secured Party (as the same may be amended, restated, modified, extended or supplemented from time to time, the "Security Agreement").

15. SECURED PARTY. The Secured Party will hold in accordance with this Agreement all items of the Collateral at any time received under this Agreement. The acceptance by the Secured Party of this Agreement, with all the rights, powers, privileges and authority so created, shall not at any time or in any event obligate the Secured Party to appear in or defend any action or proceeding relating to the Proprietary Collateral to which it is not a party, or to take any action hereunder or thereunder, or to expend any money or incur any expenses or perform or discharge any obligation, duty or liability under the Proprietary Collateral.

16. BINDING EFFECT; BENEFITS. This Agreement shall be binding upon Grantor and its respective successors and assigns, and shall inure to the benefit of the Secured Party and its nominees, successors and assigns. Grantor's successors and assigns shall include, without limitation, a Subsidiary, a receiver, trustee or debtor-in-possession of or for Grantor.

17. GOVERNING LAW AND VENUE. This Agreement shall be governed by and construed in accordance with the laws of the State of New York (without giving effect to its laws of conflicts). Grantor

agrees that any legal action or proceeding with respect to any of its obligations under this Agreement may be brought by the Secured Party in any state or federal court located in the State of New York, as the Secured Party in its sole discretion may elect. By the execution and delivery of this Agreement, Grantor submits to and accepts, for itself and in respect of its property, generally and unconditionally, the non-exclusive jurisdiction of those courts. Grantor waives any claim that the State of New York is not a convenient forum or the proper venue for any such suit, action or proceeding.

19. SECURED PARTY'S DUTY. The Secured Party shall have no duty in respect of the Proprietary Collateral. Without limiting the generality of the foregoing, the Secured Party shall be under no obligation to take any steps necessary to preserve rights in the Proprietary Collateral against any other parties, but (upon the occurrence and during the continuance of an Event of Default) may do so at its option, and all reasonable expenses incurred in connection therewith shall be for the sole account of Grantor and added to the Secured Obligations secured hereby.
