ASSIGNMENT

This Trademark Assignment (this "Assignment") dated as of November 16, 2020 (the "Effective Date"), is by and between:

1. Biodermis Corp., a Nevada corporation ("Assignor"); and
2. NV Biomedical Inc., a Nevada corporation ("Assignee").

WHEREAS, Assignor is the legal and beneficial owner of the trademarks and trademark applications identified on Exhibit A, including the goodwill associated therewith (collectively the "Trademarks");

WHEREAS, the parties entered into a Trademark Purchase and Assignment Agreement dated November 16, 2020 (the "Agreement"), pursuant to which Assignor is required to assign the Trademarks to Assignee;

NOW THEREFORE, for good and valuable consideration set forth in the Agreement, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby:

1. Grant, sell, assign, transfer, and convey unto Assignee, its successors, assigns, and legal representatives, all of Assignor's right, title and interest in and to the Trademarks, including all applications, registrations, and in and to any renewals and extensions that may be granted thereon, together with the goodwill of the business connected therewith, and together with the right of Assignor to take action, claim relief, and recover damages in respect of infringements occurring prior to the date of this Assignment.

2. Covenant to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers and take any actions necessary to perfect and vest such rights, title and interest in Assignee, its successors, assigns and legal representatives. If Assignee, its successors, assigns or other legal representatives shall desire to file any continuation applications based upon any of the Trademarks, or to file a disclaimer relating thereto, Assignor will upon request, sign all papers, make all rightful oaths and do all lawful acts requisite for the filing of such divisional or continuation application, or such application for extension or reissue and the procuring thereof, and for the filing of such disclaimer, without further compensation but at the expense of Assignee, its successors, assigns or other legal representatives.

3. This Assignment may be executed in counterparts, and when so executed, each counterpart shall be deemed an original, and said counterparts shall constitute one and the same instrument.

IN WITNESS WHEREOF, this Assignment has been duly executed in a manner appropriate thereto by the undersigned whose titles are supplied below and who are each authorized to act on behalf of the respective party:
