TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement (this “Agreement”), dated as of April 9, 2021, is entered into by the undersigned (the “Grantor”) in favor of JPMorgan Chase Bank, N.A., as Administrative Agent (together with its successors, in such capacity, the “Administrative Agent”) for the benefit of the Secured Parties (as defined in the Pledge and Security Agreement described below).

WHEREAS, the Grantor has executed and delivered that certain Assumption Agreement, dated as of the date hereof, to the Pledge and Security Agreement, dated as of October 14, 2020, in favor of the Administrative Agent (as the same may be amended, restated, amended and restated or otherwise modified, the “Pledge and Security Agreement”), pursuant to which the Grantor has granted to the Administrative Agent, for the ratable benefit of the Secured Parties, a security interest in all of the Grantor’s right, title, and interest in and to the Trademark Collateral (as defined below).

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantor and the Administrative Agent hereby agree as follows:

SECTION 1. Defined Terms. Capitalized terms used but not otherwise defined herein have the meanings set forth in the Pledge and Security Agreement or the Credit Agreement referred to therein.

SECTION 2. Grant of Security Interest. The Grantor hereby collaterally assigns, grants, mortgages and pledges to the Administrative Agent, for the benefit of the Secured Parties, a security interest in all of the following property now owned or at any time hereafter acquired by the Grantor or in which the Grantor now has or at any time in the future may acquire any right, title, or interest and wherever the same may be located (collectively, the “Trademark Collateral”), as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Grantor’s Obligations (including any extensions, modifications, substitutions, amendments or renewals of any or all of such Obligations):

- (i) all U.S. federal trademarks, service marks, trade dress, certification marks and collective marks, all registrations and recordings thereof, and all applications in connection therewith, in each case to the extent registered, recorded or applied for in the United States Patent and Trademark Office, including any of the foregoing referred to on Schedule A, and all rights corresponding thereto throughout the world;
- (ii) all of the goodwill of the business connected with the use of and symbolized by the foregoing;
- (iii) all extensions and renewals of the foregoing;
- (iv) the right to sue or otherwise recover for any past, present and future infringement, dilution, or other violation of any of the foregoing or for any injury to goodwill;
- (v) all Proceeds of the foregoing, including license fees, royalties, income, payments, claims, damages, and proceeds of suit now or hereafter due and/or payable with respect thereto; and
- (vi) all corresponding rights under applicable law in the United States.

provided, however, that (i) the foregoing shall not include any “intent-to-use” Trademark application prior to the filing of a “Statement of Use” or “Amendment to Allege Use” with respect thereto, to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of such intent-to-use Trademark application under applicable federal law and (ii) the Trademark Collateral shall not include any other Excluded Asset.

SECTION 3. Security Agreement. The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Administrative Agent for the ratable benefit of the Secured Parties pursuant to the Pledge and Security Agreement, and the Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Pledge and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Pledge and Security Agreement, the provisions of the Pledge and Security Agreement shall control.

SECTION 4. Recordation. The Grantor authorizes and requests that the Commissioner for Trademarks and any other applicable government officer of the United States Patent and Trademark Office record this Agreement.

SECTION 5. Governing Law. This Agreement and the rights and obligations of the parties under this Agreement shall be governed by, and construed and enforced in accordance with, the Laws of the State of New York without regard to conflict of laws principles that would require application of the laws of another jurisdiction.

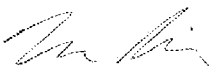

SECTION 6. Counterparts. This Agreement may be executed in any number of counterparts (including by telecopy or .pdf), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed signature page of this Agreement or any document or instrument delivered in connection herewith by facsimile transmission or electronic PDF shall be effective as delivery of a manually executed counterpart of this Agreement or such other document or instrument, as applicable. The words “execution,” “signed,” “signature,” and words of like import in this Agreement shall be deemed to include electronic signatures or the keeping of electronic records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

[Signatures follow]

IN WITNESS WHEREOF, each of the undersigned has caused this Agreement to be duly executed and delivered as of the date first above written.
