CORRECTIVE ASSIGNMENT OF TRADEMARK

This Corrective Assignment of Trademark (this "**Corrective Assignment**"), effective as of November 12, 2020, is entered into by and between **Snow Joe LLC**, a New York limited liability company having an office and principal place of business 305 Veterans Boulevard, Carlstadt, New Jersey 07072 (the "**Assignor**") and **Hammock Bliss Pty Ltd**, an Australian Limited Liability Company, having an office and principal place of business at 185 Military Road, Dover Heights, NSW, AUSTRALIA 2030 (the "**Assignee**").

WHEREAS, the Assignor, pursuant to a transaction with Bliss Hammocks Inc., a New York corporation, purported to become the owner of U.S. trademark Registration No. 5,421,610, together with the goodwill of the business associated therewith (hereinafter collectively referred to as the "**Mark**");

WHEREAS, the Assignor, subsequent to the transaction with Bliss Hammocks Inc. recorded in the United States Patent Trademark Office (USPTO) an assignment purporting to evidence ownership of the Mark;

WHEREAS, the Assignor, subsequent to the transaction with Bliss Hammocks Inc. and recording in the United States Patent Trademark Office (USPTO) the assignment purporting to evidence ownership of the Mark, was informed that Bliss Hammocks Inc. did not in fact own the Mark but instead the Mark is owned by Assignee; and

WHEREAS, the Assignor desires to correct the public record and record this Corrective Assignment, and assign any and all of its right, title and interest in and to the Mark it may have attained as a result of its purported ownership, to the Assignee.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor and the Assignee hereby agree as follows:

1. The Assignor does hereby irrevocably sell, assign, transfer, convey and deliver to the Assignee, its successors and assigns any and all of the Assignor's right, title and interest, in and to the Mark, and all of the goodwill of the business associated with the Mark, and all registrations and pending applications for the Mark, any renewals of the registrations, in all countries throughout the world, for the Assignee's own use and enjoyment, and for the use and enjoyment of the Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by the Assignor if this Trademark Assignment had not been made, together with all causes of action for any and all previously occurring infringement of the rights being assigned and the right to receive and retain the proceeds relating to those infringements.
2. The Assignor hereby requests the Commissioner for Trademarks at the United States Patent and Trademark Office (the "**Commissioner**"), as well as his or her counterparts at the corresponding entities or agencies in any country or jurisdiction that may exercise authority over the Mark, to record this Corrective Assignment. The Assignor hereby further requests the Commissioner and his or her non-US counterparts to issue any and all trademark registrations resulting from applications to register the Mark or derived therefrom to the Assignee as assignee of the entire interest therein.
3. Upon reasonable request by the Assignee, the Assignor will, at the Assignor's expense, execute further papers (including, without limitation, the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens, assignments, powers of attorney or other documentation) and to do such other acts as may be necessary or reasonably requested by the Assignee to vest full title in and to the Mark in the Assignee or which may be necessary to obtain, renew, issue or enforce the Mark.

4. This Corrective Assignment may be executed in any number of counterparts (including by means of electronic signature, facsimile and electronically transmitted portable document format (pdf) signature pages), each of which shall be an original but all of which together shall constitute one and the same instrument.

5. This Corrective Assignment shall be governed by and construed in accordance with the internal laws of the State of New York (excluding application of any choice of law doctrines that would make applicable the law of any other state or jurisdiction) and, where appropriate, applicable federal law. No amendment of any provision of this Corrective Assignment shall be valid unless the same shall be in writing and signed by the Assignor and the Assignee. No waiver by any party of any provision of this Corrective Assignment or any default or breach of covenant hereunder, whether intentional or not, shall be valid unless the same shall be in writing and signed by the party against whom the waiver is to be effective nor shall such waiver be deemed to extend to any prior or subsequent default or breach of covenant hereunder or affect in any way any rights arising by virtue of any prior or subsequent such occurrence.

6. This Corrective Assignment shall be binding upon, and shall inure to the benefit of, the parties hereto and their respective successors and assigns.
