2.13 *Intellectual Property*

[REDACTED]

(b) Intellectual Property. Section 2.13(b) of the Disclosure Schedule lists all Company Intellectual Property that is Registered Intellectual Property ("*Company Registered Intellectual Property*"), which includes all pending patent and Trademark applications and all material unregistered Trademarks and copyrights used by the Acquired Corporations with respect to any Company Products. With respect to each item of Company Registered Intellectual Property, except to the extent not material to the business of the Acquired Corporations: (i) all necessary registration, maintenance and renewal fees have been paid, and all necessary documents and certificates have been filed with the relevant patent, copyright, trademark or other Governmental Entities, for the purposes of protecting and/or maintaining such Intellectual Property Rights; (ii) each such item is currently in compliance with formal legal requirements (including payment of filing, examination and maintenance fees and proofs of use); and (iii) each such item is sustaining, and except with respect to applications, valid and enforceable. To the Company's Knowledge, there are no facts, information, or circumstances, including any information or facts that would constitute prior art, that would render any of the Company Registered Intellectual Property invalid or unenforceable, or would affect any pending application for any Company Registered Intellectual Property.
