AMENDED AND RESTATED INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS AMENDED AND RESTATED INTELLECTUAL PROPERTY SECURITY AGREEMENT is entered into as of March 31, 2020 by and between **MOBILEFUSE LLC**, a Delaware limited liability company ("**Borrower**") and **HERITAGE BANK OF COMMERCE**, a California corporation ("**Bank**").

RECITALS

Bank has agreed to make certain advances of money and to extend certain financial accommodations to Borrower in the amounts and manner set forth in that certain Loan and Security Agreement by and between Bank and Borrower dated as of May 7, 2015 and as amended from time to time, including the Amended and Restated Loan and Security Agreement by and between Bank and Borrower dated as of the date hereof (and as may be further amended, modified and/or restated from time to time, the "**Loan Agreement**"). In connection therewith, the parties desire to amend and restate the Original Agreement in accordance with the terms set forth herein.

NOW, THEREFORE, Borrower agrees as follows:

AGREEMENT

This Agreement is intended to and does completely amend and restate, without novation, the Original Agreement. All security interests granted under the Original Agreement are hereby confirmed and ratified and shall continue to secure all Obligations under the Loan Agreement.

To secure performance of Borrower's obligations under the Loan Agreement, Borrower grants to Bank a security interest in all of Borrower's right, title and interest in Borrower's intellectual property (including without limitation those Copyrights, Patents and Trademarks listed on Schedules A, B and C hereto), including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits). This security interest is granted in conjunction with the security interest granted to Bank under the Loan Agreement. Each right, power and remedy of Bank provided for herein or in the Loan Agreement shall not preclude the simultaneous or later exercise by Bank of any or all other rights, powers or remedies.

Borrower represents and warrants that Schedules A, B, and C attached hereto set forth any and all intellectual property rights in connection to which Borrower, as of the date hereof, has registered or filed an application with either the United States Patent and Trademark Office or the United States Copyright Office, as applicable. Borrower hereby authorizes Bank to (a) modify this Agreement unilaterally by amending the schedules to this Agreement to include any Intellectual Property which Borrower obtains subsequent to the date of this Agreement, and (b) file a duplicate original of this Agreement containing amended schedules reflecting such new intellectual property.

This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute the same instrument. In the event that any signature to this Agreement is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.
