TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of August 11, 2021, is made by the entity listed as Grantor on the signature page hereto (the “Grantor”), in favor of Citizens Bank, N.A., in its capacity as collateral agent for the Secured Parties under the Security Agreement referred to below (the “Agent”).

WHEREAS, pursuant to that certain Pledge and Security Agreement of even date herewith (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”, capitalized terms used herein and not otherwise defined herein have the meanings specified in the Security Agreement), among the Grantor, the Agent and certain other parties thereto, in order to secure payments of certain Secured Obligations (as defined in the Credit Agreement), the Grantor has assigned, pledged and granted to the Agent a continuing security interest in and to all of its Trademarks, including, without limitation, the Trademarks listed on Schedule I hereto, in each case solely, to the extent the same constitute Collateral (the “Trademarks”).

NOW, THEREFORE, for the consideration set forth herein and in the Security Agreement, the parties hereby agree that the Grantor, as security for payment and performance in full of the Secured Obligations, does hereby create and grant to the Agent, for the benefit of the Secured Parties, their successors and permitted assigns, a lien on and security interest in, all of its right, title and interest in, to and under the Trademarks.

FOR THE AVOIDANCE OF DOUBT, notwithstanding any other provision of this agreement, the Grantor does not grant any lien on or security interest in any of the Excluded Assets (as defined in the Credit Agreement).

The Grantor hereby authorizes and requests that the United States Patent and Trademark Office record this Trademark Security Agreement.

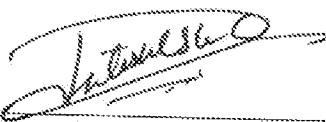

Until the Termination Date (as defined in the Credit Agreement), the Agent shall retain its security interest in the Trademarks granted herein and in the Security Agreement and any lien granted on any property granted hereunder shall automatically be released in accordance with Section 7.12 of the Security Agreement.

This Trademark Security Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Trademark Security Agreement shall become effective when it shall have been executed by the Grantor party hereto and the Agent and when the Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. Delivery of an executed counterpart of a signature page to this Trademark Security Agreement by facsimile or by email as a “.pdf” or “.tif” attachment or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

THIS TRADEMARK SECURITY AGREEMENT AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS SUPPLEMENT, WHETHER IN TORT, CONTRACT (AT LAW OR IN EQUITY) OR OTHERWISE, SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

IN WITNESS WHEREOF, the Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

INFOSTRETCH CORPORATION, as Grantor
