## Trademark Security Agreement

This Trademark Security Agreement, dated as of August 20, 2021, by Empower Pharma, LLC (the “Pledgor”), in favor of JPMorgan Chase Bank, N.A., in its capacity as Lender pursuant to the Credit Agreement (in such capacity, the “Lender”).

### W I T N E S S E T H:

WHEREAS, the Pledgor is party to that certain supplement counterpart to the Pledge and Security Agreement, dated August 20, 2021 (the “Security Agreement Supplement”) in favor of the Lender pursuant to which the Pledgor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lender, for the benefit of the Secured Parties, to maintain the Loans (as defined in the Credit Agreement) advanced pursuant to the Credit Agreement dated July 19, 2021, the Pledgor hereby agrees with the Lender as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Pledge and Security Agreement dated as of July 19, 2021 (the “Security Agreement”) by and among the Grantors party thereto and the Lender, on behalf of the Lender and the other Secured Parties.

SECTION 2. Grant of Security Interest in Trademark Collateral. The Pledgor hereby pledges and grants to the Lender for the benefit of the Secured Parties a lien on and security interest in and to all of its right, title and interest in, to and under all the following Collateral (other than Excluded Assets) of such Pledgor:

- (a) Trademarks of such Pledgor and IP Licenses of such Pledgor covering Trademarks, in each case, listed on Schedule I attached hereto;
- (b) all Goodwill associated with such Trademarks; and
- (c) all Proceeds of any and all of the foregoing.

Notwithstanding anything to the contrary contained herein, for the avoidance of doubt, the foregoing Pledged Collateral shall not include any intent-to-use Trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use Trademark applications under applicable federal law.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Lender pursuant to the Security Agreement and Pledgor hereby acknowledges and affirms that the rights and remedies of the Lender with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Lender shall otherwise determine.

SECTION 4. Termination. When all the Secured Obligations have been Paid in Full (as defined in the Credit Agreement), this Trademark Security Agreement shall terminate. To the extent reasonably requested by the Pledgor, upon the termination of the Trademark Security Agreement, the Lender shall execute, acknowledge, and deliver to the Pledgor an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademarks under this Trademark Security Agreement all at the expense of the Pledgor.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts.

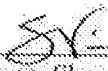

SECTION 6. Governing Law. This Trademark Security Agreement and the transactions contemplated hereby, and all disputes between the parties under or relating to this Trademark Security Agreement or the facts or circumstances leading to its execution, whether in contract, tort or otherwise, shall be construed in accordance with and governed by the laws (including statutes of limitation) of the State of New York, without regard to conflicts of law principles that would require the application of the laws of another jurisdiction.

[signature page follows]

IN WITNESS WHEREOF, the Pledgor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

Very truly yours,

EMPOWER PHARMA, LLC
