TERMINATION AND RELEASE OF
INTELLECTUAL PROPERTY SECURITY AGREEMENT SUPPLEMENT

This TERMINATION AND RELEASE OF INTELLECTUAL PROPERTY SECURITY AGREEMENT SUPPLEMENT (“Termination and Release”), dated as of September 3, 2021, is made by ARES MANAGEMENT LIMITED, as Security Agent for the Secured Parties (the “Security Agent”) in favor of CORGENIX MEDICAL CORPORATION, a Nevada corporation (the “Grantor”). Capitalized terms used in this Termination and Release and not otherwise defined herein have the meanings specified in the Security Agreement (as defined below) and the IP Security Agreement (as defined below), as applicable.

WITNESSETH:

WHEREAS, pursuant to that certain Security Agreement, dated as of April 28, 2015 (as amended, supplemented and/or otherwise modified from time to time, the “Security Agreement”), the Grantor executed an Intellectual Property Security Agreement Supplement, dated as of April 29, 2015 (the “IP Security Agreement”) in favor of the Security Agent, which was recorded in the United States Patent and Trademark Office on May 1, 2015 at Reel 035561, Frame 0593 against the patents and at Reel 5508, Frame 0517 against the trademarks, pursuant to which the Grantor granted a security interest to the Security Agent, for the benefit of the Secured Parties, in the Intellectual Property Collateral, including the patents and trademarks listed on Schedule A hereto and made a part hereof.

WHEREAS, the Grantor has satisfied in full its obligations under the Security Agreement and the IP Security Agreement and requests a release of the security interest in the Intellectual Property Collateral granted thereunder; and

WHEREAS, the Security Agent now desires to terminate the IP Security Agreement and terminate and release its security interest in the Intellectual Property Collateral, including the patents and trademarks listed on Schedule A hereto, and to reassign any and all rights, title, and interest in the same to Grantor, as provided herein.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

1. The Security Agent, for itself and for the benefit of the Secured Parties, hereby irrevocably terminates the IP Security Agreement and irrevocably discharges, terminates and releases its lien on and security interest in all of Grantor’s right, title and interest in and to the Intellectual Property Collateral, including those patents and trademarks listed on Schedule A.

2. The Security Agent hereby assigns, grants and conveys to the Grantor, without any representation, warranty, recourse or undertaking by the Security Agent, any and all of the Security Agent’s right, title, and interest in and to the Intellectual Property Collateral, including those patents and trademarks listed on Schedule A.

3. The Security Agent agrees to execute, acknowledge, procure and deliver all further documents and do all such other acts as may be reasonably required or desirable to carry out the purposes of this Termination and Release, including to effect the release of the Security Agent's security interest contemplated hereby.

4. The Security Agent authorizes and requests that the Commissioner of the United States Patent and Trademark Office and any other applicable government authority record this Termination and Release.

5. This Termination and Release and the rights and obligations of the parties hereto shall be governed by and construed and interpreted in accordance with the laws of the State of New York and shall be binding upon the parties' representatives, successors, assigns and transferees.
