TRADEMARK/SERVICEMARK ASSIGNMENT ("STAR STROKER")

This assignment ("Assignment") is made as of September 7, 2021, by E.A Distribution Inc., a California corporation ("Assignor"), in favor of JAD Partners Corp., a California corporation ("Assignee").

WHEREAS, Assignor is the sole and exclusive owner of the entire right, title and interest in, to and under the United States trademark registration and application for the "Star Stroker" mark (Application Serial No. 88788004), including any common law trademark rights therefor (the "Mark");

WHEREAS, Assignor and Assignee have entered into an agreement under which Assignor agreed to assign to Assignee all of Assignor's right, title and interest in and to the Mark, together with the goodwill associated therewith;

NOW, THEREFORE, for good and valuable consideration paid by Assignee to Assignor, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer and set over to Assignee, Assignor's entire right, title and interest in and to the Mark, together with the goodwill of the Mark, for the United States and for all foreign countries, including any renewals or extensions thereof that are or may be secured under the laws of the United States or foreign countries now or hereafter in effect and including the subject matter of all claims which may be obtained therefrom for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made; together with all income, royalties or payments due or payable as of the effective date of this Assignment or thereafter, including all claims for damages by reason of past, present or future infringement or other unauthorized use, with the right to sue for, and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives.

This Assignment is deemed to be executed and delivered within the State of California, and it is the intention of the parties that it shall be construed, interpreted and applied in accordance with the laws of the State of California without regard to its conflicts of law principles.
