UNITED STATES TRADEMARK REGISTRATION**

WHEREAS, Kelly Pioneer Group, LLC, a Washington DC limited liability company having a place of business at 601 Pennsylvania Avenue, NW, South Building - 9th Floor, Washington, DC 20004 ("Assignor") has acquired or adopted, and used, and thereby own all rights, title and interests in and to (i) the trademark; and (ii) the United States trademark registration thereof identified in "Schedule A" attached hereto and by this reference incorporated into and made a part hereof (the "Mark", and "Registration" respectively), together with the goodwill of the business appurtenant to said Mark;

WHEREAS, One Perfect Line, LLC, a California limited liability company, having a place of business at 22414 South Normandie, Suite B, Torrance, CA 90502 ("Assignee") is desirous of acquiring said Mark and Registration; and

WHEREAS, in order to effectuate Assignor's assignment of its entire rights, title and interests in and to the Mark and Registration and the goodwill appurtenant thereto, to Assignee, Assignor is executing this instrument of Assignment.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Assignor does hereby sell, assign, convey and transfer unto Assignee, its successors, assigns and legal representatives, his full and entire rights, title and interests in and to the Mark and Registration identified in said Schedule A, and the attendant goodwill symbolized by the Mark, the same to vest in Assignee, including, without limitation, the ownership of all causes of action for, and claims for damages by reason of, the infringement of any of the Mark by other parties, which causes of action and claims arose prior to the date of execution hereof.

Assignor hereby represents and warrants that, to the best of its knowledge, (i) it is the sole owner of the Mark and the goodwill associated therewith, and the Registration; (ii) the Registration was not obtained fraudulently or contrary to any provision of the laws of the United States; (iii) the Registration is not the subject of any opposition or dispute proceedings in the United States or in any other jurisdiction in the world; and (iv) Assignee has good and marketable title to the Mark and Registration free and clear of any lien, security interest, claim, or encumbrance. Assignor hereby agrees that Assignee shall have the right to record this instrument of assignment with the United States Patent and Trademark Office and with any other agency, office or authority in any and all other jurisdictions and countries of the world, so as to establish Assignee as owner of record of the Mark and Registration.

Assignor further agrees, at the request of Assignee and without charge or cost to Assignee, to (i) execute and have executed any and all other documents of any kind whatsoever, and to provide whatever information may be required, to carry out the terms and intent of this Assignment; and (ii) fully cooperate with Assignee, as reasonably required, to enable Assignee to duly record this instrument of assignment with the United States Patent and Trademark Office

and with any other agency, office or authority in any and all other jurisdictions and countries of the world, so that Assignee's ownership of the Mark and Registration is duly made of record.
