CORRECTED DEED OF ASSIGNMENT OF TRADEMARKS

Hyphenus, Inc. (“Assignor”), a Delaware corporation having a principal place of business at 12130 Millennium Drive, Los Angeles, California 90043, having previously executed and delivered a Deed of Assignment of Trademarks bearing an effective date of September 21, 2021, in favor of “COPARENTER, LLC;” having been advised that the identification of the assignee as “COPARENTER, LLC” is a scrivener’s error; and now desiring to correct the prior Deed of Assignment of Trademarks with the date of the assignment to be effective as of the original effective date of September 21, 2021, now states and agrees as follows:

Assignor is the owner of the following federal trademark registration on the Principal Register of the United States Patent & Trademark Office, identified by registration number and mark:

Reg. No. 5,673,867 for the mark COPARENTER

The mark and registration is collectively referred to as the “Mark.” Assignor has adopted and is using the Mark.

Co-Parenter, LLC (“Assignee”), a Delaware limited liability company having a principal place of business at 701 Fifth Avenue, Suite 4200, Seattle, Washington 98104, is desirous of acquiring all right, title, and interest in and to the Mark, together with the goodwill of the business symbolized by the Mark.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby assign, transfer, sell, and convey to Assignee, all right, title, and interest in and to the Mark and Registration No. 5,673,867, together with the goodwill of the business symbolized by such Mark and the registration thereof, together with all rights of any kind whatsoever of Assignor accruing under the Mark provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world; all such quality control standards, records, protocols, and information as are necessary to maintain the continuity of the quality of the goods and services represented by the Mark; and any and all claims and causes of action with respect to the Mark, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, misappropriation, violation, misuse, dilution, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages and other relief.

The Commissioner of Patents and Trademarks, and/or the regulatory authority for any individual State, is requested to make the proper notation of such assignment on the trademark records of the United States of America and of such State.
