## TRADEMARK ASSIGNMENT

**THIS AGREEMENT** is effective as of on the 8<sup>th</sup> day of November, 2021, by and between **Fusion Optix Inc.**, with a principal mailing address of **17 Wheeling Ave, Woburn, MA 01801** (hereinafter referred to as the "Assignor") and **Teyeo Holdings LLC**, with its principal place of business at **93 Revere Street, Unit 4, Boston, Massachusetts, 02114, United States**. (hereinafter referred to as the "Assignee") (each a "Party", and collectively, the "Parties").

**WHEREAS**, Assignor is the owner of the Trademarks described in Exhibit A (hereinafter the "Trademarks") and the goodwill of the business associated therewith and for which they are registered;

**WHEREAS**, Assignor desires to convey, transfer, assign and deliver to the Assignee all of its right, title, and interest in and to the Trademarks along with the goodwill.

**WHEREAS**, Assignee wishes to acquire the Trademarks and the above-referenced goodwill of the business associated therewith;

**NOW, THEREFORE**, in consideration of the premises and mutual agreements set forth in this Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

A. Assignment and Transfer. The Assignor hereby assigns, sells for the amount of \$4,200 USD, conveys, and transfers to the Assignee, its legal representatives, successors, and assigns, all of the Assignor's right, title, and interest, throughout the world, in, to and under the Trademarks, together with the whole of the goodwill of the business pertaining thereto, with the same rights of the Assignor to be held and enjoyed by the Assignee for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, and together with all rights to sue for and collect damages for, and to obtain injunctive or equitable relief for, any past, present, or future infringement, misappropriation, dilution, violation, or unlawful imitation, whether currently known or unknown, of the foregoing.

B. Due Authorization. As applicable, the Assignor hereby authorizes and requests the Commissioner for Trademarks of the United States and any official of any state or foreign country whose duty it is to issue intellectual property registrations to issue all registrations from any applications for registration of the Trademarks to the Assignee.

C. Further Assurances. The Assignor covenants and agrees that they will not execute any writing or do any act whatsoever conflicting with this Assignment, and that the Assignor will, upon the request of the Assignee, execute and deliver, or cause to be executed or delivered, any and all documents and take any and all actions that may be necessary or desirable to perfect the assignment, conveyance, and transfer of the Trademarks hereunder, it being understood that the foregoing covenant and agreement shall bind and inure to the benefit of the successors, assigns, and legal representatives of the Assignor and the Assignee. In the event the Assignee is unable, after reasonable effort, to secure the Assignor's signature for the purposes of making such filings and recordations and more fully vesting ownership in the Trademarks, for any reason whatsoever,

the Assignor hereby irrevocably designates and appoints the Assignee and its duly authorized agents as the Assignor's agent and attorney-in-fact, to act for and in their behalf to execute and file any and all such documents and to do all other lawfully permitted acts to accomplish the complete and exclusive transfer of the Trademarks.

D. Amendment; Waiver. None of the provisions of this Assignment may be waived, changed or altered except in a signed writing by the Party against whom enforcement of the same is sought.

**IN WITNESS WHEREOF**, the Parties have caused this Trademark Assignment to be executed and delivered by their respective duly authorized officers on the 8<sup>th</sup> day of November, 2021.
