TRADEMARK ASSIGNMENT

This **Trademark Assignment** (this “Assignment”), dated as of October 9, 2020, is between **RNR SUSHI FRANCHISE, LLC**, an Alabama limited liability company (“*Assignor*”) and **ROCKNROLL SUSHI HOLDINGS LLC**, a Florida limited liability company (“*Assignee*”).

WHEREAS, Assignor owns certain registered and unregistered trademarks (the “Trademarks”), including, but not limited to, the trademarks described in Exhibit A of this Assignment; and

WHEREAS, Assignor, Assignee, and the other parties thereto are parties to a certain Unit Purchase and Contribution Agreement (the “*Purchase Agreement*”) dated as the date hereof. Capitalized terms used and not otherwise defined herein shall have the meaning assigned to them in the Purchase Agreement unless the context otherwise requires. The Purchase Agreement provides for the Assignor to contribute substantially all assets of Assignor to Assignee.

Accordingly, the parties agree as follows:

(1) **Assignment.** Assignor hereby assigns to Assignee, its successors and assigns, all of Assignor’s rights, title and interest in and to the Trademarks, together with the goodwill of the business symbolized by the Trademarks, including, without limitation: (i) Assignor’s right, title and interest in and to all pending applications for registration, if any, for the Trademarks throughout the world; (ii) all income, royalties, damages and payments now or hereafter due and/or payable under and with respect thereto, including, without limitation, damages and payments for past or future infringements thereof; (iii) the right to sue for past, present and future infringements thereof; and (iv) all rights corresponding thereto throughout the world, as fully and entirely as the same would have been held and enjoyed by such Assignor had this Assignment and sale not been made.

(2) **Further Actions.** Assignor shall execute all documents and take all other actions necessary or reasonably requested by Assignor to assign all the rights, title and interest in and to the Trademarks.

(3) **Governing Law.** This Agreement is to be governed by and construed in accordance with the laws of Florida, without regard to its conflict of law principles.

(4) **Terms of the Purchase Agreement.** This Assignment is subject in all respects to the terms of the Purchase Agreement, and all of the representations, warranties, covenants and agreements contained in the Purchase Agreement, all of which shall survive the execution and delivery of this Assignment in accordance with the terms of the Purchase Agreement. To the extent any conflict exists between any of the terms of this Assignment and the Purchase Agreement, the terms of the Purchase Agreement will prevail.

(5) **Execution.** This Assignment may be executed in one or more counterparts, including fax or electronic images, each of which is an original, and all of which constitute only one agreement between the parties.

[Signatures on the following page.]

To evidence the parties' agreement to this Assignment, they have executed and delivered it as of the date set forth in the preamble.
