## TRADEMARK ASSIGNMENT AGREEMENT

**THIS TRADEMARK ASSIGNMENT AGREEMENT** (“Assignment”), dated as of August 31, 2021 (“Effective Date”), is entered into by and between Micro Motion, Inc., a Colorado corporation (“Assignor”), and Daniel OpCo, LLC, a Delaware limited liability company (“Assignee”). Assignor and Assignee are individually referred to as a “Party” and collectively as the “Parties.”

WHEREAS, pursuant to that certain Asset and Equity Purchase Agreement (the “Purchase Agreement”), dated as of June 30, 2021, by and among Assignor, Emersub Mexico, Inc., a Nevada corporation (“Emersub Mexico”), Emersub 1 LLC, a Delaware limited liability company (“Emersub 1” and collectively with Assignor and Emersub Mexico, “Sellers”), Emerson Electric Co., a Missouri corporation, the parent entity of Sellers (“Seller Parent”), Assignee, Daniel Mexico HoldCo, LLC, a Delaware limited liability company, and Daniel Mexico HoldCo II, LLC, a Delaware limited liability company, Seller Parent agreed to sell, and to cause its Affiliates (including Assignor) to sell, to Assignee, and Assignee agreed to purchase from Assignor, all of Assignor’s Intellectual Property included in the Purchased Assets, in each case on the terms and subject to the conditions contained in the Purchase Agreement;

WHEREAS, as required in the Purchase Agreement, Assignor hereby desires to deliver, sell, and transfer to Assignee its entire worldwide right, title, and interest in, to and under the Intellectual Property set forth on Exhibit A hereto (the “Assigned Marks”); and

WHEREAS, Assignee desires to purchase, acquire and accept the Assigned Marks from Assignor.

NOW, THEREFORE, for good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, the Parties, intending to be legally bound, hereby agree as follows:

1. Unless otherwise defined herein, all capitalized terms used herein shall have the meanings ascribed to such terms in the Purchase Agreement.
2. Assignor hereby irrevocably conveys, assigns and transfers to Assignee its entire worldwide right, title and interest in, to and under the Assigned Marks, free and clear of all liens, together with any and all goodwill connected with and symbolized by the foregoing, the same to be held and enjoyed by Assignee for its own use and enjoyment and the use and enjoyment of its successors, assigns and other legal representatives as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made, as assignee of its respective entire right, title and interest therein, including, without limitation, all rights in and to all fees, income, royalties, damages and payments now or hereafter due or payable with respect thereto, any and

all claims and causes of action (whether in Law or in equity) with respect thereto, and the right to sue, counterclaim, and recover for past, present and future infringement, misappropriation, dilution or other violation of the rights assigned or to be assigned under this Assignment.

3. This Assignment is binding upon, and inures to the benefit of, the Parties hereto and their respective legal representatives, successors, and permitted assigns. It is understood that any finding of invalidity of one assignment as effected hereby shall not affect the assignment of other Assigned Marks. All questions concerning the construction, validity and interpretation of this Assignment and the performance of the obligations imposed by this Assignment shall be governed by, and construed in accordance with, the Laws of the State of Delaware (without regard to the choice of Law principles thereof) and the intellectual property Laws of the United States without giving effect to any Law that would result in the application of a different body of Law than as set forth in this Section 3.
4. Upon reasonable request by Assignee, Assignor will execute additional documents and take other actions (excluding the payment of any fees) as may be necessary or desirable to record or memorialize the assignments of the Assigned Marks set forth herein, and to vest and perfect in Assignee such right, title, and interest in and to the Assigned Marks as sold, assigned, and transferred to Assignee hereunder.
5. Assignor hereby authorizes and requests the officials of the United States Patent and Trademark Office, and the corresponding entities or agencies in any applicable foreign jurisdiction, to record Assignee as assignee and owner of the entire right, title, and interest in, to and under the Assigned Marks.
6. No waiver, modification or change of any of the provisions of this Assignment shall be valid unless in writing and signed by the Party against whom such claimed waiver, modification or change is sought to be enforced.
7. This Assignment may be executed in one or more counterparts, all of which will be considered one and the same agreement and will become effective when one or more counterparts have been signed by each of the Parties hereto and delivered to the other Party hereto, it being understood that all Parties hereto need not sign the same counterpart. A signed copy of this Assignment delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Assignment.

*[Remainder of page intentionally left blank; signature page to follow]*

IN WITNESS WHEREOF, the Parties hereto, through their authorized representatives, have caused this Assignment to be duly executed and delivered as of the Effective Date.
