(b) Such Grantor will not create, incur or permit to exist, will take all commercially reasonable actions to defend the Collateral against, and will take such other commercially reasonable action as is necessary to remove, any Lien or claim on or to the Collateral, other than the Permitted Liens and the Liens created hereby, and other than as permitted pursuant to the Loan Agreement, and will take all commercially reasonable actions to defend the right, title and interest of Secured Party in and to any of the Collateral against the claims and demands of all persons whomsoever.

(c) Such Grantor will not sell, transfer, license or sub-license or otherwise dispose of any of the Collateral, or attempt, offer or contract to so do except to the extent expressly permitted under the Loan Agreement.

(d) Such Grantor will advise Secured Party promptly, in reasonable detail, at its address set forth in the Loan Agreement, (i) of any Lien (other than Liens created hereby or permitted under the Loan Agreement) on, or claim asserted against, any Collateral and (ii) of the occurrence of any other event which could reasonably be expected to have a material adverse effect on the aggregate value of the Collateral or on the Liens created hereunder.

(e)

(i) Such Grantor (either itself or through licensees) will, except with respect to any Trademark that such Grantor shall reasonably determine is of immaterial economic value to such Grantor, (A) continue to use each Trademark on each and every trademark class of goods applicable to its current line as reflected in its current catalogs, brochures and price lists in order to maintain such Trademark in full force free from any claim of abandonment for non-use, (B) maintain as in the past the quality of products and services offered under such Trademark, (C) use reasonable efforts to employ such Trademark with the appropriate notice of registration, (D) not adopt or use any mark which is confusingly similar or a colorable imitation of such Trademark unless within thirty (30) days after such use or adoption Secured Party shall obtain a perfected

security interest in such mark pursuant to this Agreement, and (E) not (and not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby any Trademark may become invalidated.

(ii) Such Grantor will not, except with respect to any Patent that such Grantor shall reasonably determine is of immaterial economic value to it (including any abandoned Patent), do any act, or omit to do any act, whereby any Patent may become abandoned or dedicated. Without the prior written consent of Secured Party, such Grantor shall not abandon any right to file a Patent application, or abandon any pending Patent application or Patent if such abandonment could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Event.

(iii) Such Grantor will promptly notify Secured Party if it knows that any application relating to any Patent, Trademark or Copyright may become abandoned or dedicated, or of any adverse determination or material development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office or any applicable court or tribunal in any country) regarding such Grantor's ownership of any Patent, Trademark or Copyright, or its right to register the same or to keep and maintain the same.

(iv) Whenever such Grantor, either by itself or through any agent, employee, licensee or designee, shall file an application for any Patent or for the registration of any Trademark or Copyright with the United States Patent and Trademark Office, the United States Copyright Office, or any similar office or agency in any other country or any political subdivision thereof, such Grantor shall report such filing to Secured Party within five (5) Business Days after the last day of the fiscal quarter in which such filing occurs. Upon the request of Secured Party, such Grantor shall execute and deliver any and all reasonably necessary agreements, instruments, documents, and papers as Secured Party may request to evidence Secured Party's security interest in any newly filed Patent, Copyright or Trademark and the goodwill and general intangibles of such Grantor relating thereto or represented thereby, and such Grantor hereby appoints Secured Party as its attorney-in-fact to execute and file all such writings for the foregoing purposes, all acts of such attorney being hereby ratified and confirmed; such power being coupled with an interest is irrevocable until the Secured Obligations are indefeasibly paid in full and no Commitment remains outstanding.

(v) Such Grantor, except with respect to any Patent, Trademark or Copyright such Grantor shall reasonably determine is of immaterial economic value to it, will take all reasonable and necessary steps, including, without limitation, in any proceedings before any tribunal, office or agency in any other country or any political subdivision thereof, to maintain and pursue each application (and to obtain the relevant registration or Patent) and to maintain each

Patent and each registration of Trademarks and Copyrights, including, without limitation, filing of applications, applications for reissue, renewal or extensions, the payment of maintenance fees, participation in reexamination, opposition and infringement proceedings, and the filing of renewal applications, affidavits of use and affidavits of incontestability, in each case when appropriate. Any expenses incurred in connection with such activities shall be paid by such Grantor.

(vi) In the event such Grantor knows or has reason to know that any Patent, Trademark or Copyright included in the Collateral is infringed, misappropriated or diluted by a third party, such Grantor shall promptly notify Secured Party after it learns thereof and shall, unless such Grantor shall reasonably determine that such Patent, Trademark or Copyright is of immaterial economic value to such Grantor which determination such Grantor shall promptly report to Secured Party, promptly sue for infringement, misappropriation or dilution, or take such other actions as such Grantor shall reasonably deem appropriate under the circumstances to protect such Collateral.

(vii) If requested by Secured Party, such Grantor will furnish to Secured Party statements, schedules and an inventories identifying and describing the Collateral, including without limitation, all Intellectual Property acquired subsequent to the date of this Agreement and not identified on **Schedules A, B, and C** attached hereto, all transfers, assignments, licenses or sub-licenses of the Collateral by such Grantor, and such other information in connection with the Collateral as Secured Party may reasonably request, all in reasonable detail. Any such Intellectual Property shall automatically become part of the Collateral.

(f) Such Grantor agrees that it will cause each of its Subsidiaries that is created or acquired after the Closing Date, within five (5) days of such Subsidiary's creation or acquisition by such Grantor, to execute and deliver a Joinder Agreement, agreeing to become a Grantor under this Agreement, together with supplements to the Schedules hereto setting forth all relevant information with respect to such party as of the date of such delivery. Upon execution of such Joinder Agreement by each such Subsidiary, such Subsidiary shall become a Grantor for all purposes of this Agreement, will become a party to, and will be bound by all the terms of, this Agreement, with the same force and effect as if originally named as a Grantor herein. The execution and delivery of a Joinder Agreement adding an additional Grantor as a party to this Agreement shall not require the consent of any other Grantor hereunder. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

5. Secured Party's Appointment as Attorney-in-Fact.

(a) Each Grantor hereby irrevocably constitutes and appoints Secured Party and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such

Grantor and in the name of such Grantor or in its own name, from time to time after the occurrence, and during the continuation of, a Default in Secured Party's discretion, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, such Grantor hereby grants Secured Party the power and right, on behalf of such Grantor without notice to or assent by such Grantor, to do the following:

(i) at any time when any Default shall have occurred and be continuing in the name of such Grantor or its own name, or otherwise, to take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under, or with respect to, any Collateral and to file any claim or to take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by Secured Party for the purpose of collecting any and all such moneys due with respect to such Collateral whenever payable;

(ii) to pay or discharge taxes and Liens levied or placed on or threatened against the Collateral, to effect any repairs or any insurance called for by the terms of this Agreement and to pay all or part of the premiums therefor and the costs thereof; and

(iii) at any time when any Default shall have occurred and be continuing, (A) to direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to Secured Party or as Secured Party shall direct, (B) to ask or demand for, collect, receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral, (C) to sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral, (D) to commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral, (E) to defend any suit, action or proceeding brought against such Grantor with respect to any Collateral, (F) to settle, compromise or adjust any suit, action or proceeding described in the preceding clause and, in connection therewith, to give such discharges or releases as Secured Party may deem appropriate, (G) to assign any Trademark or Copyright (along with goodwill of the business to which such Trademark or Copyright pertains), throughout the world for such term or terms, on such conditions, and in such manner, as Secured Party shall in its sole discretion determine, and (H) generally, to sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though Secured Party were the absolute owner thereof for all

purposes, and to do, at Secured Party's option and such Grantor's expense, at any time, or from time to time, all acts and things which Secured Party deems appropriate to protect, preserve or realize upon the Collateral and the Liens of Secured Party thereon and to effect the intent of this Agreement, all as fully and effectively as such Grantor might do. Such Grantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and shall be irrevocable.

(b) Each Grantor also authorizes Secured Party, at any time and from time to time, to execute, in connection with the sale provided for in Section 8 hereof, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral.

(c) The powers conferred on Secured Party hereunder are solely to protect the interests of Secured Party in the Collateral and shall not impose any duty upon Secured Party to exercise any such powers. Secured Party shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither it nor any of its partners, officers, directors, employees or agents shall be responsible to the Grantors for any act or failure to act hereunder, except for their own gross negligence or willful misconduct (**REGARDLESS OF WHETHER CAUSED IN WHOLE OR IN PART BY THE NEGLIGENCE OF ANY OF THE INDEMNIFIED PARTIES**) or failure to comply with mandatory provisions of applicable law.

6. Performance by Secured Party of the Grantors' Obligations. If any Grantor fails to perform or comply with any of its agreements contained herein and if Secured Party, as provided for by the terms of this Agreement, shall itself perform or comply, or otherwise cause performance or compliance, with such agreements, then the expenses of Secured Party incurred in connection with such performance or compliance shall be payable by the Grantors to Secured Party on demand and shall constitute Secured Obligations secured hereby and shall bear interest from the date which is three (3) Business Days after such demand at the Default Rate until paid.

7. Proceeds. It is agreed that if a Default shall have occurred and be continuing, then (a) all Proceeds received by the Grantors consisting of cash, checks and other cash equivalents shall be held by the Grantors in trust for Secured Party, segregated from other funds of the Grantors, and shall, promptly upon receipt by any Grantor, be turned over to Secured Party in the exact form received by such Grantor (duly endorsed by such Grantor to Secured Party, if required), and (b) any and all such Proceeds received by Secured Party (whether from a Grantor or otherwise) shall promptly be applied by Secured Party against, the Secured Obligations (whether matured or unmatured), such application to be in such order as set forth in Section 3.3 of the Loan Agreement.

8. Remedies Upon Default. Upon the occurrence and during the continuance of a Default, Secured Party may pursue any or all of the following remedies, without any notice to any Grantor except as required below:

(a) Secured Party may give written notice of Default to any Grantor, following which no Grantor shall dispose of, conceal, transfer, sell or encumber any of the Collateral (including, but not limited to, cash proceeds) without Secured Party's prior written consent, even if such disposition is otherwise permitted hereunder or under any other Loan Document in the ordinary course of business. Any such disposition, concealment, transfer or sale after the giving of such notice shall constitute a wrongful conversion of the Collateral. Secured Party may obtain a temporary restraining order or other equitable relief to enforce any Grantor's obligation to refrain from so impairing Secured Party's Collateral.

(b) Secured Party may take possession of any or all of the Collateral. Each Grantor hereby consents to Secured Party's entry into any of such Grantor's premises to repossess Collateral in accordance with the Loan Agreement and/or Security Agreement, as applicable.

(c) Secured Party may dispose of the Collateral at private or public sale. Any required notice of sale shall be deemed commercially reasonable if given at least ten (10) days prior to sale. Secured Party may adjourn any public or private sale to a different time or place without notice or publication of such adjournment, and may adjourn any sale either before or after offers are received. The Collateral may be sold in such lots as Secured Party may elect, in its sole discretion. Secured Party may take such action as it may deem necessary to repair, protect, or maintain the Collateral pending its disposition.

(d) Secured Party may exercise its Lien upon and right of setoff against any monies, items, credits, deposits or instruments that Secured Party may have in its possession and that belong to any Grantor or to any other person or entity liable for the payment of any or all of the Secured Obligations.

(e) Secured Party may exercise any right that it may have under any other Loan Document or otherwise available to Secured Party at law or equity.

9. Limitation on Duties Regarding Preservation of Collateral. Secured Party's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the UCC or otherwise, shall be to deal with it in the same manner as Secured Party would deal with similar property for its own account. Neither Secured Party nor any of its partners, directors, officers, employees or agents shall be liable for failure to demand, collect or realize upon all or any part of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or otherwise.

10. Powers Coupled with an Interest. All authorizations and agencies herein contained with respect to the Collateral are irrevocable and powers coupled with an interest.

11. Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any

such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

12. Section Headings. The section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

13. No Waiver: Cumulative Remedies. Secured Party shall not by any act (except by a written instrument pursuant to Section 14 hereof), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any default or Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by Secured Party of any right or remedy hereunder on any occasion shall not be construed as a bar to any right or remedy which Secured Party would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any rights or remedies provided by law.

14. Waivers and Amendments; Successors and Assigns; Interpretation. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by each Grantor and Secured Party, provided that any provision of this Agreement may be waived by Secured Party in a written letter or agreement executed by Secured Party or by facsimile transmission from Secured Party. This Agreement shall be binding upon the successors and permitted assigns of the Grantors and shall inure to the benefit of Secured Party and its successors and permitted assigns.
