ASSIGNMENT OF TRADEMARKS

This Assignment of Trademarks (this “**Trademark Assignment**”), effective as of October 12, 2021, is entered into by and between Homegoods Solutions, LLC, a New Jersey limited liability company, having an office and principal place of business at 311 Crimson Circle, Oakhurst, New Jersey 07755 (the “**Assignor**”) and **Snow Joe LLC**, a New York limited liability company having an office and principal place of business at 221 River Street, 13th Floor, Hoboken, New Jersey 07030 (the “**Assignee**”).

WHEREAS, the Assignor is the owner of the trademarks, applications and registrations set forth on Schedule A hereto, together with the goodwill of the business associated therewith (hereinafter collectively referred to as the “**Marks**”);

WHEREAS, in connection with the execution of that certain Asset Purchase Agreement, dated October 12, 2021, by and between the Assignor and the Assignee (the “**Purchase Agreement**”), the Assignor has agreed to transfer all of its right, title and interest in and to the Marks to the Assignee; and

WHEREAS, the Assignor desires to assign all of its right, title and interest in and to the Marks to the Assignee and the Assignee desires to acquire the Marks.

NOW, THEREFORE, for good and valuable consideration set forth in the Purchase Agreement, the receipt and sufficiency of which are hereby acknowledged, the Assignor and the Assignee hereby agree as follows:

1. The Assignor does hereby irrevocably sell, assign, transfer, convey and deliver to the Assignee, its successors and assigns all of the Assignor’s right, title and interest, in and to the Marks, and all of the goodwill of the business associated with the Marks, and all registrations and pending applications for the Marks, any renewals of the registrations, in all countries throughout the world, for the Assignee’s own use and enjoyment, and for the use and enjoyment of the Assignee’s successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by the Assignor if this Trademark Assignment had not been made, together with all causes of action for any and all previously occurring infringement of the rights being assigned and the right to receive and retain the proceeds relating to those infringements.
2. The Assignor hereby requests the Commissioner for Trademarks at the United States Patent and Trademark Office (the “**Commissioner**”), as well as his or her counterparts at the corresponding entities or agencies in any country or jurisdiction that may exercise authority over the Marks, to record this Trademark Assignment. The Assignor hereby further requests the Commissioner and his or her non-US counterparts to issue any and all trademark registrations resulting from applications to register the Marks or derived therefrom to the Assignee as assignee of the entire interest therein.
3. Upon reasonable request by the Assignee, the Assignor will, at the Assignor’s expense, execute further papers (including, without limitation, the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens, assignments, powers of attorney or other documentation) and to do such other acts as may be necessary or reasonably requested by the Assignee to vest full title in and to the Marks in the Assignee or which may be necessary to obtain, renew, issue or enforce the Marks.
4. This Trademark Assignment may be executed in any number of counterparts (including by means of electronic signature, facsimile and electronically transmitted portable document format (pdf) signature pages), each of which shall be an original but all of which together shall constitute one and the same instrument.

5. This Trademark Assignment shall be governed by and construed in accordance with the internal laws of the State of New Jersey (excluding application of any choice of law doctrines that would make applicable the law of any other state or jurisdiction) and, where appropriate, applicable federal law. No amendment of any provision of this Trademark Assignment shall be valid unless the same shall be in writing and signed by the Assignor and the Assignee. No waiver by any party of any provision of this Trademark Assignment or any default or breach of covenant hereunder, whether intentional or not, shall be valid unless the same shall be in writing and signed by the party against whom the waiver is to be effective nor shall such waiver be deemed to extend to any prior or subsequent default or breach of covenant hereunder or affect in any way any rights arising by virtue of any prior or subsequent such occurrence

6. This Trademark Assignment shall be binding upon, and shall inure to the benefit of, the parties hereto and their respective successors and assigns.
