## TRADEMARK ASSIGNMENT

This Trademark Assignment is made effective as of October 15, 2021 by and between McKesson Specialty Arizona, Inc. (“Assignor”), a corporation of Delaware, with an address of 4343 N. Scottsdale Road, Suite 150, Scottsdale, Arizona 85251, and United BioSource LLC (“Assignee”), a limited liability company of Delaware, with an address of 920 Harvest Drive, Suite 200, Blue Bell, Pennsylvania 19422. Assignor and Assignee, in consideration of the mutual promises contained in this Trademark Assignment and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, agree as follows:

Assignor has adopted, owned and used the trademark IPLEDGE, currently registered at the U.S. Patent and Trademark Office pursuant to U.S. Registration No. 4493966 in respect of “maintaining a medical registry of certified medical technical professionals in the area of prescription medicines; interactive record keeping services for use in risk management and regulatory compliance to ensure the proper prescribing and dispensing of pharmaceuticals, for use by physicians, pharmacists, and patients; providing medical information for physicians, pharmacists, and patients in the field of prescription medicine; and regulatory compliance consulting in the field of prescription drug medicine” (the “Mark”).

Assignee is desirous of acquiring said Mark and the resultant registration thereof.

Assignor hereby assigns unto Assignee all right, title and interest in and to the Mark, together with the goodwill of the business symbolized by the Mark, and all rights to sue for and collect damages resulting from past, present and future infringement of the Mark in the United States, and Assignor authorizes and requests the U.S. Patent and Trademark Office to issue or transfer the Mark to Assignee for the sole use of Assignee, its successors, legal representatives, and assigns, in accordance with the terms of this Trademark Assignment. Assignor reserves no rights in the Mark. Each party represents and warrants to the other party that its execution, delivery and performance of this Trademark Assignment will not violate (a) any agreement to which it is a party or by which it is bound; (b) any applicable law, rule or regulation; or (c) any intellectual property, privacy or other rights of third parties.

Should any term or provision of this Trademark Assignment be held to any extent unenforceable, invalid, or prohibited under law, then such provision shall be deemed restated to reflect the original intention of the parties as nearly as possible in accordance with applicable law and the remainder of this Trademark Assignment. This Trademark Assignment and all of the provisions in this Trademark Assignment shall be binding upon and inure to the benefit of the successors in interest and assigns of the parties. This Trademark Assignment and all matters arising out of or related to this Trademark Assignment shall be in all respects governed by, and construed and enforced in accordance with, the laws of the State of Delaware without giving effect to its rules relating to conflict of laws.

The parties accept this Trademark Assignment and have caused this Trademark Assignment to be executed, and do each hereby warrant and represent that its respective signatory whose signature appears below has been and is on the date executed duly authorized to execute this Trademark Assignment on its behalf.
