**Partial Release of Security Interest in Trademarks**

This **Partial Release of Security Interest in Trademarks**, dated as of December 1, 2021 (this "Partial Release"), is made by BANK OF AMERICA, N.A., as collateral agent for the Secured Parties (in such capacity, the "Collateral Agent") in favor of BIOMAT USA, INC., a Delaware corporation, and TALECRIS PLASMA RESOURCES, INC., a Delaware corporation (each a "Grantor" and collectively the "Grantors"). For purposes of this Partial Release, the "Secured Parties" shall have the meaning assigned in that certain U.S. Pledge and Security Agreement, dated as of November 15, 2019 entered into by, among others, the Grantors in favor of the Collateral Agent (as amended, restated, or modified from time to time).

WHEREAS, pursuant to that certain Trademark Security Agreement, dated as of November 15, 2019 (as amended, restated, or modified from time to time, the "Trademark Security Agreement"), the Grantors granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in and continuing lien on all of such Grantors' right, title and interest in, to and under the Trademark Collateral (as defined in the Trademark Security Agreement), whereby such Trademark Security Agreement was recorded with the United States Patent and Trademark Office on November 18, 2019 at Reel 6798 Frame 0409 against those trademark registrations and trademark applications listed on Schedule I hereto;

WHEREAS, the Grantors have requested that the Collateral Agent release, discharge, terminate and cancel its lien on and security interest (solely to the extent granted by the Grantors) in and to the Trademark Collateral (as defined in the Trademark Security Agreement) to the extent (if any) owned by the Grantors, including, without limitation, those trademark registrations and trademark applications listed on Schedule I hereto (the "Released Trademark Collateral"); and

WHEREAS, the Trademark Security Agreement shall otherwise remain in full force and effect as to all remaining parties to such agreement, including, without limitation, as against those trademark registrations and trademark applications listed on Schedule I hereto;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Collateral Agent, on behalf of the Secured Parties, does hereby consent and agree as follows:

The Collateral Agent, on behalf of the Secured Parties, their successors, legal representatives and assigns, hereby unconditionally and irrevocably (a) releases, discharges, terminates and cancels any and all of its security interest in and to the Released Trademark Collateral, (b) agrees that any and all right, title and interest of the Collateral Agent in, to or under the Released Trademark Collateral shall hereby terminate, cease and become void, and (c) assigns, transfers and conveys to Grantors any and all right, title and interest it may have in, to and under the Released Trademark Collateral.

The Collateral Agent authorizes and requests that the Commissioner for Trademarks of the United States Patent and Trademark Office, and any other applicable government officer or authority, record this Partial Release against those trademark registrations and trademark applications listed on Schedule I hereto.

[Partial Release of Security Interest in Trademarks]

The Collateral Agent agrees to take all further actions, and provide the Grantors with any information, cooperation and assistance, including, without limitation, the execution and delivery of any and all further instruments, authorizations, documentation and release forms as any Grantor or its successor, assign or legal representative may reasonably request to confirm, effectuate and record this Partial Release and the termination, cancellation and release of the security interest and any right, title or interest of the Collateral Agent in, to or under the Released Trademark Collateral at Grantors' sole cost and expense.

Delivery of an executed signature page of this Partial Release by facsimile or electronic (in pdf or similar format) transmission will be effective as delivery of a manually executed counterpart hereof. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to this Partial Release shall be deemed to include Electronic Signatures (as defined below), deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be. "Electronic Signatures" means any electronic symbol or process attached to, or associated with, any contract or other record and adopted by a person with the intent to sign, authenticate or accept such contract or record.

This Partial Release and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York.
