TRADEMARK ASSIGNMENT

This Trademark Assignment is made effective as of this 7th day of February, 2019, by and between Perstorp Specialty Chemicals AB, a Corporation organized under the laws of Sweden ("Assignor"), and Perstorp AB, a Corporation organized under the laws of Sweden ("Assignee").

WHEREAS, Assignor, having its principal offices at Perstorp Industripark Perstorp, 28480 Sweden is the owner of U.S. Registration No. 1359969 for CAPA (the "Mark").

WHEREAS, Assignee, having its principal offices at Perstorp Industripark Perstorp, 28480 Sweden, is desirous of acquiring all right, title and interest in and to said Mark.

WHEREAS, the Assignor Perstorp Specialty Chemicals AB and the Assignee Perstorp AB are part of the same group of companies, "Perstorp Group".

It is also specified that since the transfer was carried out as an intra-group transfer, it was not executed through written transfer agreement, which is not required by Swedish law. The present trademark assignment has therefore been established in order to support the transfer and is aimed to specifically determine the U.S. Registration assigned from the Assignor to the Assignee.

NOW, THEREFORE, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby assigns to Assignee all right, title and interest in the United States in and to said Mark, together with the goodwill of the business symbolized by said trademark and any registration or future registration thereof.
