TRADEMARK ASSIGNMENT

This Trademark Assignment ("Assignment") is made by and between Fountainhead Creative Corp., a Utah Corporation, having an address of 1776 Park Ave, #4-417, Park City, Utah, 84060, U.S.A. ("Assignor"), and MRC II Distribution Company L.P., a Delaware limited partnership, having an address of 100 N. Crescent Drive, 2nd Floor, Beverly Hills, California, 90210, U.S.A. ("Assignee"), as follows:

RECITALS

Assignor has adopted and used or otherwise owns the trademark identified in Columns (A) and (B) of the attached Schedule A, said trademark, including all registrations and applications for registration and all rights to sue and recover for past infringement, and all goodwill associated therewith, being collectively referred to as the "Assigned Trademark."

Assignee and Assignor wish to transfer title of the Assigned Trademark and to execute a document suitable for recordation in the United States Patent and Trademark Office and other trademark offices worldwide.

AGREEMENT

For good and valuable consideration, the receipt and sufficiency of which are acknowledged, Assignor does grant, assign, transfer, convey, and deliver to Assignee all of Assignor's right, title and interest in, to, and under the Assigned Trademark throughout the world, together with the goodwill of the business in connection with which the Assigned Trademark has been used in the United States or any other countries.

The parties agree that the rights assigned under this Assignment do not include any of Assignor's rights to use the Assigned Trademark in connection with goods and services outside of those listed in Column (B) of Schedule A. To the extent that any of the Reserved Rights identified in Section 7 of the Option Purchase Agreement dated March 25, 2018 between Assignor and New Wineskins Productions, Inc. are construed by a court, trademark office, or other competent authority to fall within the scope of the goods and services listed in Column (B) of Schedule A, Assignee hereby releases Assignor from any claim for infringement of the Assigned Trademark in connection with the exercise of such Reserved Rights.

Within ten (10) business days of mutual execution of this Assignment, Assignee shall reimburse Assignor the amount of seven hundred U.S. Dollars (\$700.00) for the United States Patent and Trademark Office filing fees associated with the application identified in Column (C) of Schedule A.

The parties have caused their duly authorized representatives to execute this Agreement effective as of the last date entered below.
