## WORLDWIDE INTELLECTUAL PROPERTY ASSIGNMENT

This WORLDWIDE INTELLECTUAL PROPERTY ASSIGNMENT (“**IP Assignment**”), is made to be effective as of December 21, 2021, by and between Zeus Industrial Products, Inc., a New Jersey (U.S.A.) corporation (“**Assignor**”), in favor of Zeus Company Inc., a South Carolina (U.S.A.) corporation (“**Assignee**”), in connection with the transfer of certain assets of Assignor pursuant to an Asset Transfer Agreement between Assignee and Assignor, dated as of December 21, 2021 (the “**Asset Transfer Agreement**”).

### RECITALS

WHEREAS Assignor is the owner of the Assigned IP (as defined below);

WHEREAS, pursuant to the Asset Transfer Agreement, Assignor has conveyed, transferred, and assigned to Assignee, among other assets, the Assigned IP, and has agreed to execute and deliver this IP Assignment, for recording with the corresponding entities or agencies in any applicable jurisdictions;

WHEREAS Assignor desires to assign all of its right, title, and interest in and to the Assigned IP;

NOW THEREFORE, the parties agree as follows:

### AGREEMENT

1. Assignment. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably conveys, transfers, and assigns to Assignee, all of Assignor's right, title, and interest in and to the following (the “**Assigned IP**”):

(a) the patents and patent applications set forth on Schedule 1 hereto and all issuances, divisions, continuations, continuations-in-part, reissues, extensions, reexaminations, and renewals thereof (the “**Patents**”);

(b) the trademark registrations and applications set forth on Schedule 2 hereto, all common law rights worldwide pertaining to the marks on Schedule 2 and any other applications/registrations for such marks, and all issuances, extensions, and renewals thereof (the “**Trademarks**”), together with the goodwill of the business connected with the use of, and symbolized by, the Trademarks;

(c) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;

(d) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(e) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. Assignor hereby authorizes the Commissioner for Patents and the Commissioner for Trademarks in the United States Patent and Trademark Office, and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register this IP Assignment upon request by Assignee. Following the date hereof, Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, apostille, authentication, exhibits, assignments, powers of attorney, or other documents, as may be reasonably necessary to effect, evidence, or perfect the assignment of the Assigned IP to Assignee, or any assignee or successor thereto.

3. Merger and Integration. The parties hereto acknowledge and agree that this IP Assignment is entered into pursuant to the Asset Transfer Agreement, to which reference is made for a further statement of the rights and obligations of Assignor and Assignee with respect to the Assigned IP. The representations, warranties, covenants, agreements, and indemnities contained in the Asset Transfer Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Asset Transfer Agreement and the terms hereof, the terms of the Asset Transfer Agreement shall govern.

4. Counterparts. This IP Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same agreement. A signed copy of this IP Assignment delivered by facsimile, e-mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this IP Assignment.

5. Severability. If any provision, clause or part of this IP Assignment or the application thereof under certain circumstances, is held invalid, the remainder of this IP Assignment, or the applications of each provision, clause or part under other circumstances, shall not be affected thereby.

6. No Waiver. The failure of the Assignor or Assignee to insist, in any one or more instances, upon performance of any of the terms or conditions of this Assignment, shall not be construed as a waiver or relinquishment of any rights granted hereunder or the future performance of any such term, covenant or condition.

7. Successors and Assigns. This IP Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

8. Governing Law. This IP Assignment and any claim, controversy, dispute, or cause of action (whether in contract, tort, or otherwise) based upon, arising out of, or relating to this IP

Assignment and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the United States and the State of South Carolina, without reference to any conflict of law rules that might lead to the application of the laws of any other jurisdiction.

IN WITNESS WHEREOF, this IP Assignment has been duly executed by Assignor and Assignee and is effective as of the date first written above.
