This TRADEMARK SECURITY AGREEMENT SUPPLEMENT, dated as of January 5, 2022, by National CineMedia, LLC, a Delaware limited liability company (the “Grantor”), in favor of JPMorgan Chase Bank, N.A., as Administrative Agent (in such capacity, the “Administrative Agent”) for the benefit of the Secured Parties as defined in that certain Guarantee and Collateral Agreement dated as of June 20, 2018 made by and among the Grantors (as defined therein) party thereto and the Administrative Agent (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Guarantee and Collateral Agreement”).

RECITALS

Pursuant to the Guarantee and Collateral Agreement, the Grantor is required to execute and deliver to the Administrative Agent, for the ratable benefit of the Secured Parties, this Trademark Security Agreement Supplement.

NOW, THEREFORE, in consideration of the foregoing premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby agrees as follows:

1. **DEFINED TERMS**. All capitalized terms used but not otherwise defined herein have the meanings given to them in (or incorporated by reference in) the Guarantee and Collateral Agreement.
2. **GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL**. The Grantor hereby assigns and transfers to the Administrative Agent, and hereby grants to the Administrative Agent, for the ratable benefit of the Secured Parties, a security interest in, and lien on, all of the following property now owned or at any time hereafter acquired by the Grantor or in which the Grantor now has or at any time in the future may acquire any right, title or interest, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Grantor’s Obligations (collectively, the “Trademark Collateral”):
 - (a) all of the Trademarks of the Grantor, along with the goodwill attached thereto, including, but not limited to, those expressly listed on Schedule I attached hereto; provided, however, the definition of “Trademarks” as used herein shall not include (i) (x) any assets for which the grant of a security interest, therein or the pledge thereof (A) (I) is prohibited by or in violation of any applicable law, rule or regulation at any time or (II) requires Governmental Authority that has not been obtained contemplation thereof (after giving effect to the applicable anti-assignment provisions of the UCC of any relevant jurisdiction or other applicable laws or principles or equity) or (B) is prohibited by contract binding on the Grantor on the date hereof or, if later, at the time the assets subject to such contractual obligation was acquired (so long as not entered into in contemplation of such acquisition) or would trigger termination under any such permitted contract binding on such assets that was in existence at the time of acquisition of such asset (and not entered into in contemplation thereof) (in each case, after giving effect to the applicable anti-assignment provisions of the UCC of any relevant jurisdiction or other applicable laws or principles or equity), (y) any lease, license or other agreement to the extent, and for so long as, a security interest therein is prohibited by or in violation of a term, provision or condition of, or would invalidate or give any other party thereto (other than the Grantor) the right to terminate, any such lease, license or agreement (in each case, after giving effect to the applicable anti-assignment provisions of the UCC of any relevant jurisdiction or other applicable laws or principles or equity) or (z) any license from any Governmental Authority or state or local franchise, charter or authorization to the extent, and for so long as, a security interest therein is

prohibited or restricted pursuant to the terms thereof (in each case, after giving effect to the applicable anti-assignment provisions of the UCC of any relevant jurisdiction or other applicable laws or principles or equity), any (ii) intent-to-use Trademark applications prior to the filing and acceptance with the United States Patent and Trademark Office of a "Statement of Use" or "Amendment to Allege Use" with respect thereto, to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein may impair the validity or enforceability of such intent-to-use Trademark applications under applicable law;

(b) all books and records pertaining to the Trademarks; and

(c) to the extent not otherwise included, all Proceeds and products of any and all of the foregoing, all Supporting Obligations in respect of any of the foregoing and all collateral security and guarantees given by any Person with respect to any of the foregoing.

3. SECURITY AGREEMENT SUPPLEMENT. The security interests granted pursuant to this Trademark Security Agreement Supplement are granted in conjunction with the security interests granted to the Administrative Agent, for the ratable benefit of the Secured Parties, pursuant to the Guarantee and Collateral Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guarantee and Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement Supplement and the Guarantee and Collateral Agreement, the Guarantee and Collateral Agreement shall control.
