ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby assigns and transfers to Assignee, and Assignee hereby receives and accepts from Assignor, all right, title and interest throughout the United States in and to the Trademarks, together with all of the goodwill associated with same, and all rights, claims and privileges pertaining to the Trademarks, including without limitation: common law rights to the underlying marks; all priority rights under all available international agreements, treaties and conventions for the protection of trademarks; and the right to sue for and recover damages, profits and all other remedies for any past, present and future infringement of any of the foregoing; and to stand in the place of Assignor in all matters related thereto.

The parties shall take such further actions and execute and deliver such other documents, assignments and instruments as may be necessary to consummate or implement this Assignment.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be executed by their duly authorized representatives as of the date set forth above.
