TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT (this “Agreement”), dated as of December 30, 2021, is made by and between AutoGlassNow LLC, a Delaware limited liability company (the “Assignor”), on the one hand, and AGN Glass LLC, a Delaware limited liability company (the “Assignee”), on the other hand. All initially-capitalized terms used but not otherwise defined in this Agreement will have the meanings ascribed to such terms in the Asset Purchase Agreement (defined below) and the rules of construction set forth in Section 10.8 of the Asset Purchase Agreement will be applied wherever appropriate herein.

WITNESSETH:

WHEREAS, Assignor, Assignee, Property Ventures of Marin, Inc., Mehrdad Hakimian and, solely for purposes of Section 6.11 therein, Katy Isa, have entered into an Asset Purchase Agreement, dated as of December 30, 2021 (the “Asset Purchase Agreement”);

WHEREAS, pursuant to the Asset Purchase Agreement, each Assignor desires to sell, transfer, assign, convey, and deliver to the Assignee, and the Assignee desires to purchase, acquire, and accept from the Assignor, all of the Assignor’s right, title, and interest in, to, and under all of the Assignor’s registered and applied for trademarks listed on Schedule 1 hereto, together with all goodwill associated therewith (the “Trademarks”); and

WHEREAS, this Agreement will be executed in connection with the Closing under the Asset Purchase Agreement, as required thereby.

NOW, THEREFORE, in consideration of the premises and covenants set forth herein and in the Asset Purchase Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, hereby agree as follows:

Section 1. Assignment. The Assignor hereby sells, assigns, transfers, and delivers to the Assignee, and the Assignee hereby purchases, acquires, and accepts from the Assignor, all of the Assignor’s right, title, and interest in, to and under the Trademarks, including all (i) rights to collect royalties and proceeds in connection therewith, (ii) all rights to sue and recover for past, present, and future infringements, misappropriations or other violations of such Trademarks against any Persons (regardless of whether or not such claims and causes of action have been asserted by the Assignor), and (iii) rights to protection of interests in the foregoing under the Laws of all jurisdictions, including all registrations, renewals, extensions, combinations and applications for any of the rights referred to above in this Section 1. The Assignor authorizes and requests that the United States Patent and Trademark Office, and the corresponding entities or agencies in any foreign countries or multinational authorities (as applicable), record the Assignee as the owner of the Trademarks.

Section 2. Governing Law; Jurisdiction. Section 10.12 of the Asset Purchase Agreement is hereby incorporated herein *mutatis mutandis*.

Section 3. Entire Agreement. Section 10.10 of the Asset Purchase Agreement is hereby incorporated herein *mutatis mutandis*. Except with respect to Section 5, in the event of any conflict or inconsistency between this Agreement and the Asset Purchase Agreement, the provisions of the Asset Purchase Agreement will control and prevail.

Section 4. Counterparts. This Agreement may be executed in multiple counterparts, any one of which need not contain the signature of more than one party hereto, but all such counterparts taken together will constitute one and the same instrument. Any counterpart, to the extent signed and delivered by means of a facsimile machine, .PDF or other electronic transmission, will be treated in all manner and respects as an original Contract and will be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person. Minor variations in the form of the signature page to this Agreement or any agreement or instrument contemplated hereby, including footers from earlier versions of this Agreement or any such other document, will be disregarded in determining the effectiveness of such signature. At the request of any party hereto, each other party hereto will re-execute original forms thereof and deliver them to all other parties. No party hereto will raise the use of a facsimile machine, .PDF or other electronic transmission to deliver a signature or the fact that any signature or Contract was transmitted or communicated through the use of facsimile machine, .PDF or other electronic transmission as a defense to the formation of a Contract and each such Party forever waives any such defense.

Section 5. Further Assurances. The Assignor further agrees to use commercially reasonable efforts to (i) execute all documents and (ii) do all such other things as may be necessary or appropriate to carry out the intent and/or purpose of this agreement. In addition, and without limiting the generality of the foregoing, the Assignor further agrees, at the reasonable request of the Assignee or its successors in interest, to do all lawful acts which may be required for obtaining and enforcing the intellectual property rights in the Assignor's Trademarks to the extent feasible with the resources reasonably available to the Assignor.
