TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement") made as of this 28th day of January, 2022, by WORLDWIDE SOLUTIONS GROUP INC., a Virginia corporation ("Grantor"), in favor of TWIN BROOK CAPITAL PARTNERS, LLC, in its capacity as Agent for the Lenders (as defined in the Credit Agreement referenced below) (in such capacity, "Grantee"):

W I T N E S S E T H

WHEREAS, Grantor, the other Loan Parties party thereto from time to time, the financial institutions party thereto from time to time as Lenders, and Grantee, as Agent, have entered into a certain Credit Agreement, dated as of October 18, 2021 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), pursuant to which Grantee and Lenders have agreed, subject to the terms and conditions thereof, to make certain loans to, and other credit accommodations in favor of, the borrowers therein (collectively, the "Loans").

WHEREAS, pursuant to the terms of a certain Guarantee and Collateral Agreement, dated as of October 18, 2021, by and among Grantee, Grantor, and certain Affiliates of Grantor (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Guarantee and Collateral Agreement"), Grantor has granted to Grantee, for its benefit and the benefit of Lenders, a security interest and lien upon substantially all assets of Grantor, including all right, title and interest of Grantor in, to and under all now owned and hereafter acquired Trademarks (as defined in the Guarantee and Collateral Agreement including registrations and applications therefore), together with the goodwill of the business symbolized by Grantor's Trademarks, and all products and proceeds thereof, to secure the payment of all amounts owing by Grantor under the Credit Agreement.

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, Grantor agrees as follows:

1. Incorporation of Credit Agreement and Guarantee and Collateral Agreement. The Credit Agreement and the Guarantee and Collateral Agreement and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto. All capitalized terms used herein but not otherwise defined herein shall have the respective meanings ascribed to such terms in the Guarantee and Collateral Agreement. In the event of a conflict between a provision of the Guarantee and Collateral Agreement and a provision of this Agreement, the provision of the Guarantee and Collateral Agreement shall control.

2. Grant of Security Interests. To secure the payment and performance of the Secured Obligations, Grantor hereby grants to Grantee, for its benefit and the benefit of Lenders, a continuing security interest in Grantor's entire right, title and interest in and to the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether now owned or existing or hereafter created, acquired or arising (to the extent not constituting Excluded Property):

(i) each Trademark listed on Schedule A annexed hereto, together with any renewals or extensions thereof, and all of the goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(ii) all products and proceeds of the foregoing, including without limitation, any claim by Grantor against third parties for past, present or future (a) infringement or

dilution of each such Trademark, or (b) injury to the goodwill associated with each such Trademark.

3. Intent-To-Use Trademarks. Notwithstanding the foregoing, and solely to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law, the Trademark Collateral shall not include any applications filed in the United States Patent and Trademark Office to register trademarks or service marks on the basis of any Grantor's "intent to use" such trademarks or service marks unless and until the filing of a "Statement of Use" or "Amendment to Allege Use" has been filed and accepted, whereupon such applications shall be automatically subject to the security interest granted herein.

4. Governing Law. This Trademark Security Agreement is made under and governed by the laws of the State of New York applicable to contracts made and to be performed entirely within such State, without regard to conflicts of laws principles.
