A. Under the terms of the Asset Purchase Agreement, Seller has conveyed, transferred, and assigned to Buyer, among other assets, certain intellectual property of Seller, and Seller has agreed to execute and deliver this Trademark Assignment, for recording with the United States Patent and Trademark Office and corresponding entities or agencies in any applicable jurisdictions.

B. Execution of this Trademark Assignment is a condition to Buyer’s obligation to consummate the transactions contemplated by the Asset Purchase Agreement.

AGREEMENTS

NOW THEREFORE, the parties agree as follows:

1. Assignment. In consideration of the Recitals, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Seller hereby irrevocably conveys, transfers, and assigns to Buyer, and Buyer hereby accepts, all of Seller’s right, title, and interest in and to the following (the “**Assigned Trademarks**”):

(a) the trademark registrations and trademark applications set forth on Schedule A hereto and all issuances, extensions, and renewals thereof (the “**Trademarks**”),

(b) the goodwill of the business connected with the use of, and symbolized by, the Trademarks;

(c) all rights of any kind whatsoever of Seller accruing under any of the Trademarks provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;

(d) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the Trademarks; and

(e) any and all claims and causes of action with respect to any of the Trademarks, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. Seller hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office and the officials of corresponding

entities or agencies in any applicable jurisdictions to record and register this Trademark Assignment upon request by Buyer. Following the date hereof, upon Buyer's reasonable request, and at Buyer's sole cost and expense, Seller shall take such steps and actions, and provide such cooperation and assistance to Buyer and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be reasonably necessary to effect, evidence, or perfect the assignment of the Assigned Trademarks to Buyer, or any assignee or successor thereto.

3. Terms of the Asset Purchase Agreement. The parties hereto acknowledge and agree that this Trademark Assignment is entered into pursuant to the Asset Purchase Agreement, to which reference is made for a further statement of the rights and obligations of Seller and Buyer with respect to the Assigned Trademarks. The representations, warranties, covenants, agreements, and indemnities contained in the Asset Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Asset Purchase Agreement and the terms hereof, the terms of the Asset Purchase Agreement shall govern.

4. Counterparts. This Trademark Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same agreement. A signed copy of this Trademark Assignment delivered by e-mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Trademark Assignment.

(a) This Trademark Assignment, and all claims or causes of action based upon, arising out of, or related to this Trademark Assignment shall be governed by, and construed in accordance with, the applicable law of the State of Delaware, without giving effect to principles or rules of conflicts of law principles that would cause or permit the application of the applicable law of any other jurisdiction.

(b) Each of the parties hereto hereby irrevocably (i) submits, for itself and its property, to the exclusive jurisdiction of the state and federal courts located in Wilmington, Delaware (as applicable, the "**Designated Court**"), and any appellate court from the Designated Court, in any action or proceeding arising out of or relating to this Trademark Assignment or the negotiation, execution or performance of this Trademark Assignment, or for recognition or enforcement of any judgment, and agrees that all claims in respect of any such action or proceeding shall be heard and determined in such Designated Court, (ii) waives any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating

Each of the parties hereto agrees that service of process, summons, notice or document by registered mail addressed to it at the address set forth above shall be effective service of process for any suit, action or proceeding brought in any such court.
