TRADEMARK AND COPYRIGHT ASSIGNMENT

This Trademark and Copyright Assignment (this "Assignment"), dated as of July 1, 2021 (the "Effective Date"), is between The Pacific Coast League of Professional Baseball Clubs, Inc., a Florida not-for-profit corporation with an address at One Chisholm Trail, Suite 4200, Round Rock, Texas 78681 ("Assignor"), and The Baseball Club of Tacoma, LLC, a Washington limited liability company with an address at Cheney Stadium, 2502 S. Tyler Street, Tacoma, Washington 98405 ("Assignee").

WHEREAS, Assignor is the owner of the marks and trade names listed in the attached Exhibit A, which is incorporated herein by this reference, in all relevant goods and services (the "Marks"), including all listed registrations of said Marks (the "Registrations"); and

WHEREAS, on or about April 22, 2021, the Board of Directors of Assignor authorized the transfer of all of Assignor's right, title, and interest in the Marks, together with the goodwill of the business symbolized thereby, and the Registrations, and any copyrights therein, to Assignee, and Assignee desires to accept said transfer.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee (each, a "Party" and collectively, the "Parties") hereby agree as follows:

1. Assignment of Marks. For the sum of \$1.00 and other good and valuable consideration, Assignor, as of the Effective Date, assigns and transfers to Assignee, its successors and assigns, absolutely and forever, all of Assignor's right, title and interest in and to the Marks, whether statutory or at common law, including the Registrations, and any copyrights therein and any renewals or extensions thereof and all rights of modification thereof, together with the goodwill of the business symbolized by the Marks, and all causes of action for any and all past infringements of the rights so assigned occurring before or after the date of this Assignment and the right to collect and retain the proceeds therefrom, and Assignor agrees to provide Assignee with any documentation, specimens, use evidence, and/or other materials as may be requested from time to time by Assignee to support the recordation of this Agreement and/or maintenance of the Registrations of the Marks with the United States Patent and Trademark Office, or any other trademark or copyright office anywhere else, or otherwise to enforce Assignee's rights in the Marks.

2. Further Assurances. Each Party, for itself and its successors and assigns, hereby covenants and agrees that, from time to time, such Party without further consideration will execute and deliver, or cause to be executed and delivered, to the other Party such assignments, bills of sale, consents, and other instruments, in form and substance reasonably satisfactory to the other Party, including any Registrant Name Change Agreement or similar agreements or other transfer or assignment documents with the registrars for or owners of the Marks, as applicable, and take all such other actions to more effectively transfer to and vest in Assignee, and to put Assignee in possession of, the Marks, free and clear of all Encumbrances.

3. No Additional Representations and Warranties. Assignee acknowledges that Assignor makes no representation or warranty with respect to the Marks being conveyed hereby except as specifically set forth herein.

4. General. This Agreement shall be binding upon, and inure to the benefit of, the Parties and their respective successors and assigns. This Agreement shall be governed by and construed in accordance with the laws of the State of Washington, excluding the conflicts of law provisions thereof. Neither this Agreement nor any of the rights, interests, or obligations under this Agreement shall be assigned by either Party without the prior written consent of the other Party. This Agreement may be amended only by written instrument duly signed by each Party. This Agreement may be executed in counterparts and by facsimile signature, each of which when so executed and delivered shall be deemed an original, and all of which, taken together, shall be deemed one and the same instrument.

IN WITNESS WHEREOF, the Parties have caused this Trademark and Copyright Assignment to be effective as of the Effective Date.
