TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT AGREEMENT (this "Assignment") is entered into as of November 29, 2021, by and between: (i) RGA Shlossy LLC, a Delaware limited liability company ("Assignee"); and (ii) NTI Enterprises LLC, d/b/a "Enovoe", a Texas limited liability company ("Assignor" and, together with Assignee, the "Parties"). Capitalized terms used but not herein defined shall have the respective meanings given to such terms in that certain Asset Purchase Agreement, dated as of the date hereof, entered by and among Assignee (as Buyer), Assignor (as Seller) and the Owners named therein (as may be amended, supplemented, acquired or otherwise modified from time to time, the "Purchase Agreement").

RECITALS

WHEREAS, pursuant to the terms of the Purchase Agreement, Assignor has agreed to convey, transfer and assign to Assignee, and Assignee has agreed to accept such conveyance, transfer and assignment of, among others, the Additional Trademark.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein and in the Purchase Agreement and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereby agree as follows:

AGREEMENT

1. Sale, Transfer, Assignment, Delivery and Conveyance. Assignor does hereby absolutely, unconditionally and irrevocably sell, transfer, assign, deliver and otherwise convey to Assignee, and Assignee does hereby acquire and accept from Assignor, all of Assignor's rights, title, goodwill and interest, throughout the world, in, to and under the trademark set forth on Exhibit A (the "Additional Trademark", together with all rights of any kind whatsoever of Assignor accruing under any of the Additional Trademark provided by applicable Law of any jurisdiction, by international treaties and conventions and otherwise throughout the world, including without limitation any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to the Additional Trademark, and all rights of action and defenses accrued, accruing and to accrue in respect of the Additional Trademark, including without limitation the right to sue or otherwise recover for past infringement and to receive all damages, payments, costs and fees associated therewith and to fully and entirely stand in the place of Assignor in all matters related to all of the foregoing (collectively, the "Assigned IP"); in each case, free and clear of any Encumbrances. Assignor hereby waives any moral rights, or rights equivalent thereto, that Assignor may have in or to the Assigned IP worldwide and any such rights in or to any underlying works which exclusively or primarily relate to the Assigned IP, in each case without compensation or the need for further action by any Person. To the extent that the foregoing waiver is ineffective under applicable law, Assignor agrees that it shall not assert such moral rights against Assignee or any other Person. This foregoing assignment is intended to be an absolute assignment and not by way of security.

2. Recordation. Assignor hereby authorizes the Commissioner for Trademarks and the Commissioner for Patents in the United States Patent and Trademark Office, the Register of Copyrights in the United States Copyright Office, and any other governmental officials, the

applicable domain name registrars, and the officials of corresponding entities or agencies in any applicable jurisdictions, including but not limited to WIPO, EUIPO, UKIPO, CIPO and CNIPA, to record and register this Assignment upon request by Assignee.

3. Power of Attorney. Assignor hereby constitutes and appoints Assignee as the true and lawful agent and attorney-in-fact of Assignor, with full power of substitution and re-substitution, in whole or in part, in the name and stead of Assignor but on behalf and for the benefit of Assignee and its successors and assigns, from time to time solely to institute and prosecute, in the name of Assignor or otherwise, any and all proceedings at Law, in equity or otherwise, that Assignee or its successors and assigns may deem proper to obtain, apply for, register and otherwise secure Assignee's rights in the Assigned IP.

4. Further Assurances. Assignor agrees to cooperate with Assignee in taking any action which Assignee reasonably requests to perfect or enforce Assignee's rights in the Assigned IP, and Assignor agrees to execute any and all documents reasonably necessary or appropriate to obtain and enforce copyrights, patents, trademarks and trade secrets in the Assigned IP, including specific assignments of such Assigned IP for particular products or developments, and agrees to execute all lawful papers, make all rightful oaths and other actions required or necessary to aid Assignee, its successors and assigns in obtaining and enforcing its rights in and to the Assigned IP in the United States and throughout the world.

5. No Effect on Purchase Agreement. The Parties hereby acknowledge and agree that (a) none of the provisions of the Purchase Agreement, nor any of the rights, remedies or obligations of any of the Parties thereunder, shall be deemed modified, amended, extended, enlarged, limited or altered in any way by this Assignment and (b) this Assignment is subject to all of the representations, warranties and covenants set forth in the Purchase Agreement, all of which are incorporated herein by reference. To the extent any conflict or inconsistency exists between the terms of the Purchase Agreement and the terms of this Assignment, the terms of the Purchase Agreement shall prevail.

6. Amendment. This Assignment may not be amended or altered except by a written instrument executed by the Parties.

7. Binding Effect. This Assignment shall be binding upon, and will inure to the benefit of, the Parties and their Affiliates and their respective successors and assigns.

8. Severability. If any term or provision of this Assignment is held by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Assignment that can be given effect without the invalid provision shall continue in full force and effect and shall in no way be impaired or invalidated.

9. Governing Law. This Assignment shall be governed by and construed in accordance with the Laws of the State of Delaware without reference to conflicts or choice of law principles.

10. Counterparts; Electronic Signatures. This Assignment may be executed in counterparts, each of which when executed and delivered shall be deemed an original and together shall constitute one and the same instrument. A signed copy of this Assignment delivered by facsimile, e-mail or other means of electronic transmission is deemed to have the same legal effect as delivery of an original signed copy of this Assignment. The Parties agree that electronic signatures, whether digital or encrypted, of the Parties included in this Assignment are intended to authenticate this writing and to have the same force and effect as manual signatures.
