TRADEMARK SECURITY AGREEMENT

Trademark Security Agreement, dated as of February 24, 2022, by Media Link, LLC, a California limited liability company (the “**Grantor**”), in favor of JPMORGAN CHASE BANK, N.A., in its capacity as administrative agent pursuant to the Credit Agreement (as defined in the Security Agreement (as defined below)) (in such capacity, together with its successors and assigns, the “**Administrative Agent**”).

W I T N E S S E T H:

WHEREAS, the Grantor is party to a Security Agreement dated as of July 7, 2021 (as amended by that certain Supplement No. 1, dated as of the date hereof, and as further amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”) in favor of the Administrative Agent pursuant to which the Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Administrative Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, the Grantor hereby agrees with the Administrative Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 1. Grant of Security Interest in Trademark Collateral. The Grantor hereby pledges to the Administrative Agent, for the benefit of the Secured Parties, and hereby grants to the Administrative Agent, for the benefit of the Secured Parties, a security interest in, all of its right, title or interest in or to any and all the following Collateral (excluding any intent-to-use trademark application prior to the filing of a “Statement of Use” or “Amendment to Allege Use” with respect thereto, to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application under applicable federal law and any and all other Excluded Assets) now owned or at any time hereafter acquired by the Grantor or in which the Grantor now has or at any time in the future may acquire any right, title or interest:

(a) United States-registered Trademarks of the Grantor, including those listed on Schedule I attached hereto.

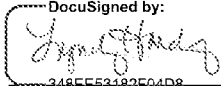

SECTION 2. The Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in furtherance, and not in limitation, of the security interest granted to the Administrative Agent pursuant to the Security Agreement and the Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the United States-registered Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Administrative Agent shall otherwise determine.

SECTION 3. Termination. Upon the termination of the Security Agreement in accordance with Section 6.11 thereof, the Administrative Agent shall, at the expense of the Grantor, execute, acknowledge, and deliver to the Grantor an instrument in writing in recordable form releasing the lien on and security interest in the United States-registered Trademarks under this Trademark Security Agreement.

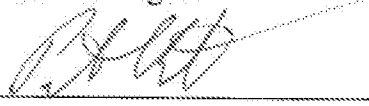

SECTION 4. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts. For the avoidance of doubt, with respect to Electronic Signatures, this Trademark Security Agreement is subject to Section 10.11 of the Credit Agreement.
