MASTER ASSIGNMENT

This assignment (“Assignment”) is made on December 13, 2021 by Artistic Products LLC, a New York limited liability company (“Assignor”) to Advantus, Corp., a Florida corporation (“Assignee”). This is the Master Assignment referred to in the Asset Purchase Agreement (the “Purchase Agreement”), dated the date of this Agreement, by and among Assignor as “Seller” and Assignee as “Buyer” and the “Selling Members” (as defined therein). Capitalized terms used but not defined herein shall have the meaning given such terms in the Purchase Agreement.

Trademarks

WHEREAS, Assignor is the sole owner or license holder (as licensee), as applicable, of certain rights, title and interest in and to certain registered and/or unregistered trademarks, service marks or other marks, including without limitation the following (if particular mark is listed below):

Registered Marks as recorded or filed in the United States Patent and Trademark Office

-Sole Owner

- United States Trademark Registration No. 2802037 for ‘Rhinolin’
- United States Trademark Registration No. 2182912 for ‘EuroPad’
- United States Trademark Registration No. 5312041 for ‘Earth Smart Office’
- United States Trademark Registration No. 3963259 for ‘Breeze Point’
- United States Trademark Registration No. 5771711 for ‘Power Padfolio’

(collectively all such trademarks and service marks and trademark related rights, title and interests, together with all of Assignor's other trademark and service mark related rights and properties (including applications), except for Excluded Assets, are called hereafter, the "Marks"); and

WHEREAS, Assignee desires to acquire all rights in and to the Marks.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns, transfers, and conveys to Assignee, its successors and assigns, all the Marks and Assignor's entire right, title, and interest in and to the Marks, together with the goodwill associated therewith, the right to recover for damages and profits and other remedies for past infringements of the Marks, and the right to prosecute this and any other applications or registrations of the Marks.

Assignor further agrees that, upon request and without further compensation, but at no expense to Assignor, Assignor and its legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable to vest Assignee's right, title, and interest in and to the Marks, and to enable such right, title, and interest, where appropriate and to the extent permitted by law, to be recorded in the United States Patent and Trademark Office and any other appropriate governmental authority or agency of the United States and internationally.

Assignor represents and warrants that Assignor has not granted and will not grant to others any rights inconsistent with the rights granted herein.

Copyrights

WHEREAS, Assignor is the sole owner or license holder (as licensee), as applicable, of certain registered and/or unregistered copyrights and related rights, including without limitation the following (if any particular copyrights are listed below, and including any as may be recorded in the United States Copyright Office, if any)

(collectively all such copyrights and copyright related rights, title and interests, together with all of Assignor's other copyright and copyright related rights and properties (including applications), except for Excluded Assets, are called hereafter, "Copyrighted Works"); and

WHEREAS, Assignee desires to acquire all rights in and to the Copyrighted Works.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns, transfers, and conveys to Assignee, its successors and assigns, all the Copyrighted Works and Assignor's entire right, title, and interest in and to the Copyrighted Works. This includes the right to reproduce, republish, or reprint the Copyrighted Works in any format or media, the right to grant permission to reproduce, republish, or reprint the Copyrighted Works in any format or media, the right to recover for damages and profits and other remedies for past infringements of the Copyrighted Works, and the right to prosecute this and any other applications or registrations of the Copyrighted Works.

Assignor further agrees that, upon request and without further compensation, but at no expense to Assignor, he and his legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable to vest Assignee's right, title, and interest in and to the Copyrighted Works, and to enable such right, title, and interest to be recorded in the United States Copyright Office and any other appropriate governmental authority or agency of the United States and internationally.

Assignor hereby waives all moral rights associated with the Copyrighted Works.

Assignor represents and warrants that Assignor has not granted and will not grant to others any rights inconsistent with the rights granted herein.

If Assignee is unable, for any reason, to obtain the assistance of Assignor, Assignor hereby designates and appoints Assignee as Assignor's agent and attorney-in-fact, with full

power of substitution in Assignor's name and stead, to act for and on behalf of Assignor to take any and all steps to vest or perfect rights in Assignee, protect such rights, or enforce any claim or right of any kind with respect those rights. The power of attorney granted under this section is a power coupled with an interest, and will be irrevocable until all Assignor's obligations are complete and performed in full.

The terms of the Purchase Agreement, including but not limited to Assignor's representations, warranties, covenants, agreements and indemnities relating to the Marks and the Copyrighted Works, are incorporated herein by reference. Assignor acknowledges, covenants and agrees that the representations, warranties, covenants, agreements and indemnities contained in the Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern, including but not limited to Assignee's right to the remedies set forth therein, subject to any limitations on liability set forth therein.
