TRADEMARK COLLATERAL AGREEMENT

This 16th day of March, 2022, Mintz Group LLC, a Delaware limited liability company (“Grantor”), with its principal place of business and mailing address at 110 Fifth Avenue, New York, NY 10011, for good and valuable consideration, the receipt and sufficiency of which is acknowledged, hereby grants, assigns, conveys, pledges, hypothecates and collaterally transfers to BMO Harris Bank N.A., a national banking association (“BMO”), with its mailing address at 111 West Monroe Street, Chicago, Illinois 60603, acting as administrative agent (BMO acting as such administrative agent and any permitted successor(s) or assign(s) to BMO acting in such capacity being hereinafter referred to as the “Agent”), for the benefit of the Secured Parties (as defined in the U.S. Security Agreement referred to below), a continuing security interest in the following property (to the extent constituting Collateral under the U.S. Security Agreement) (collectively, the “Trademark Collateral):

- (i) each trademark, trademark registration, and trademark application listed on Schedule A hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each such trademark, trademark registration, and trademark application; and
- (ii) all proceeds of the foregoing, including without limitation any claim by Grantor against third parties for damages by reason of past, present or future infringement of any trademark, trademark registration, or trademark application listed on Schedule A hereto or by reason of injury to the goodwill associated with any such trademark, trademark registration, or trademark application, in each case together with the right to sue for and collect said damages;

to secure the payment and performance of all Guaranteed Obligations of Grantor as set out in that certain U.S. Security Agreement, dated as of March 18, 2020, among Grantor, each other person party thereto and Agent, as the same may be amended, modified, or restated from time to time (the “U.S. Security Agreement”).

Notwithstanding anything herein to the contrary, this Trademark Collateral Agreement shall not operate as a sale, transfer, conveyance or other assignment to Agent of any applications by Grantor for a trademark based on an intent to use the same if and so long as such application is pending without a Statement of Use having been filed and accepted (such pending applications which are based on intent to use being hereinafter referred to collectively as “Intent-to-Use Applications”), but rather, if and so long as Grantor’s Intent-to-Use Application is pending without a Statement of Use having been filed and accepted, then this Trademark Collateral Agreement shall operate only to create a security interest for collateral purposes in favor of Agent on such Intent-to-Use Application as collateral security for the Obligations. When a Statement of Use is filed and accepted by the Trademark Office, then that application shall cease to be partly exempted from this Agreement.

Grantor does hereby further acknowledge and affirm that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby

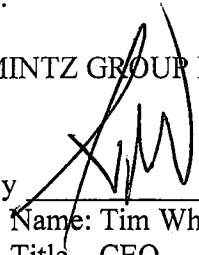

are more fully set forth in the U.S. Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein.
