**CONFIRMATORY GRANT OF SECURITY INTEREST  
IN UNITED STATES TRADEMARKS**

THIS CONFIRMATORY GRANT OF SECURITY INTEREST IN UNITED STATES TRADEMARKS (the “Confirmatory Grant”) is made effective as of April 15, 2022 by and from EPSILYTE LLC, a Delaware limited liability company (the “Grantor”), to and in favor of JPMORGAN CHASE BANK, N.A., (the “Grantee”) for itself and as Administrative Agent for the Secured Parties (as defined in the Credit Agreement referenced below).

WHEREAS, Epsilyte Holdings LLC, a Delaware limited liability company (“Holdings”), the Grantor, Epsilyte Canada, ULC (f/k/a StyroChem Canada, ULC), an Alberta unlimited liability corporation, the Lenders and the Grantee have entered into a Credit Agreement dated April 15, 2022 (as may be amended, restated, supplemented or otherwise modified from time to time, the “Credit Agreement”).

WHEREAS, Holdings, the Grantor, the other Loan Parties and the Grantee have entered into a Pledge and Security Agreement dated April 15, 2022 (as may be amended, restated, supplemented or otherwise modified from time to time, the “Security Agreement”).

WHEREAS, the Grantor owns the trademarks (the “Trademarks”) listed on Exhibit A attached hereto, which Trademarks are pending or registered with the United States Patent and Trademark Office.

WHEREAS, this Confirmatory Grant has been granted in conjunction with the security interest granted to Grantee under the Security Agreement. The rights and remedies of Grantee with respect to the security interest granted herein are without prejudice to and are in addition to those set forth in the Security Agreement and the other Loan Documents, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Confirmatory Grant are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed that:

1) Definitions. All capitalized terms not defined herein shall have the respective meanings given to them in the Credit Agreement.

2) The Security Interest.

(a) This Confirmatory Grant is made to secure the satisfactory performance and payment of all the Secured Obligations. Upon Payment in Full, the security interest acquired by Grantee under this Confirmatory Grant shall be automatically released and Grantee shall promptly execute, acknowledge, and deliver to Grantor all reasonably requested instruments, in writing or otherwise, evidencing such release.

(b) The Grantor hereby grants to Grantee a security interest in (1) all of Grantor’s right, title and interest in and to the Trademarks now owned or from time to time after the date hereof owned or acquired by the Grantor, together with (2) all proceeds and products of the Trademarks, (3) the goodwill associated with such Trademarks, and (4) all causes of action arising prior to or after the date hereof for infringement of the Trademarks or unfair competition regarding the same. Nothing herein shall limit the

Grantor's grant of a security interest in the foregoing assets or any other Collateral in favor of the Grantee to secure the Secured Obligations pursuant to the Security Agreement or any other Collateral Documents, all of which grants are hereby reaffirmed, ratified and confirmed.

3) Counterparts. This Confirmatory Grant may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

4) Governing Law. This Confirmatory Grant and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York.

\*\*\*\*\*

IN WITNESS WHEREOF, the Grantor has executed this Confirmatory Grant of Security Interest in United States Trademarks effective as of the date first written above.

EPSILYTE LLC
