## TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT (this “**Agreement**”), dated as of March 31, 2022, is made by Enviro Equine, LLC, a Texas limited liability company (the “**Assignor**”), in favor of LIM USA Inc., a Delaware corporation (the “**Assignee**”). The parties agree as follows:

1. Assignment. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor hereby irrevocably assigns, transfers, conveys and delivers to the Assignee all of the Assignor's right, title and interest in and to the following (the “**Assigned Trademarks**”):

(a) the trademarks set forth in Exhibit A hereto, including any and all applications and registrations therefor, and including the goodwill of the business symbolized thereby;

(b) all rights of the Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;

(c) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(d) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. The Assignor hereby authorizes the Commissioner for Trademarks for the U.S. Patent and Trademark Office and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register this Agreement upon request by the Assignee. Following the date hereof, the Assignor shall take such steps and actions, and provide such cooperation and assistance to the Assignee and its successors, assigns and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments or other documents, as may be necessary to effect, evidence or perfect the assignment of the Assigned Trademarks to the Assignee, or any assignee or successor thereto.

3. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

4. Successors and Assigns. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

5. Governing Law. This Agreement and any claim, controversy, dispute or cause of action (whether in contract, tort or otherwise) based upon, arising out of or relating to this Agreement and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the State of Delaware, without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction).
