GRANT OF SECURITY INTEREST IN TRADEMARKS

GRANT OF SECURITY INTEREST IN TRADEMARKS (this "Trademark Security Agreement"), dated as of April 26, 2022, by the undersigned (the "Grantor"), in favor of ALLY BANK, as Agent.

WITNESSETH:

WHEREAS, reference is made to that certain Pledge and Security Agreement, dated as of January 3, 2020 (including all exhibits and schedules thereto and as from time to time amended, restated, amended and restated, supplemented or otherwise modified, the "Security Agreement"), by and among PURIFY INTERCO, INC., a Delaware corporation ("Holdings"), CERTAIN SUBSIDIARIES OF HOLDINGS FROM TIME TO TIME PARTY THERETO (the "Subsidiary Grantors" and, collectively with Holdings, the "Grantors") and ALLY BANK ("Ally"), as administrative and collateral agent for the Secured Parties (as herein defined) (in such capacity, together with its successors and assigns, the "Agent").

WHEREAS, Grantor is required to execute and deliver to the Agent this Trademark Security Agreement for the benefit of the Secured Parties.

NOW, THEREFORE, in consideration of the promises and mutual covenants herein contained and in the Security Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Security Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. As security for the payment and performance in full of the Secured Obligations, Grantor hereby grants to the Agent and its successors and assigns, for the benefit of the Secured Parties, a continuing lien on and security interest in all of Grantor's right, title and interest in, to and under any Trademarks and Trademark Licenses constituting Collateral owned by Grantor, along with all goodwill associated therewith (collectively, the "Trademark Collateral"), whether now owned or existing or hereafter acquired or arising and wherever located, including all Trademarks registered, or for which applications are filed, with the United States Patent and Trademark Office as set forth in Schedule I, provided that no lien or security interest shall be granted on any trademark or service mark consisting of an "intent to use" application until such time as an amendment to allege use in respect thereof has been accepted by the United States Patent and Trademark Office.

3. SECURITY AGREEMENT. The liens and security interests granted pursuant to this Trademark Security Agreement are granted in furtherance, and not in limitation, of the liens and security interests granted to the Agent, for the benefit of the Secured Parties, as security for the payment and performance in full of the Secured Obligations, pursuant to the Security Agreement. Grantor hereby acknowledges and affirms

that the rights and remedies of the Agent with respect to the liens on and security interests in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement conflicts with the Security Agreement, the provisions of the Security Agreement shall control.

4. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute one and the same instrument. The exchange of copies of this Trademark Security Agreement and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Trademark Security Agreement as to the parties hereto and may be used in lieu of the original Trademark Security Agreement and signature pages for all purposes.

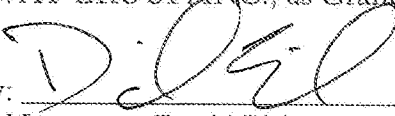

5. TERMINATION OR RELEASE. This Trademark Security Agreement shall terminate and the liens and security interests granted hereby shall be automatically released in accordance with the provisions set forth in Section 10 of the Security Agreement.

6. GOVERNING LAW. THIS TRADEMARK SECURITY AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
