INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT, dated as of April 29, 2022, this “Intellectual Property Security Agreement”), is made by IRIDIUM TECHNOLOGY OPCO, LLC, a Nevada limited liability company (the “Additional Grantor”), and each additional Grantor (together with the Additional Grantor, each a “Grantor” and, collectively, the “Grantors”) in favor of GLAS TRUST CORPORATION LIMITED, as security trustee for the Secured Parties (in such capacity, the “Security Agent”).

WHEREAS, in connection with that certain Senior Facilities Agreement dated as of December 23, 2020 (as amended, restated, amended and restated, supplemented, modified, renewed or extended from time to time, the “Facilities Agreement”), by and among BIGHAND UK MIDCO LIMITED, a private limited liability company incorporated and existing under the laws of England and Wales, as the Parent, BIGHAND UK BIDCO LIMITED, a private limited liability company incorporated and existing under the laws of England and Wales, as the Company and Original Borrower, the Parent, Company and Subsidiaries listed on the signing pages to the Facilities Agreement, as Original Guarantors, Baring Asset Management Limited and National Westminster Bank PLC, as Arrangers, Global Loan Agency Services Limited, as Agent, the financial institutions listed in Schedule 1 to the Facilities Agreement, as Original Lenders, the Security Agent, and the other parties party thereto from time to time, each Grantor has entered into that certain Security Agreement dated as of December 10, 2021, (as amended, restated, amended and restated, supplemented, modified, renewed or extended from time to time, the “Security Agreement”), by such Grantor and any other parties thereto in favor of the Security Agent;

WHEREAS, under the terms of the Security Agreement, each Grantor has granted a security interest in certain Intellectual Property Collateral, including, without limitation, the Intellectual Property Collateral (as defined below), to the Security Agent, for itself and on behalf and for the ratable benefit of the other Secured Parties, and has agreed as a condition thereof to execute this Intellectual Property Security Agreement for recording with the United States Patent and Trademark Office and/or the United States Copyright Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

1. Grant of Security. As security for the payment and performance of the Secured Obligations, each Grantor hereby grants to the Security Agent, for itself and on behalf and for the ratable benefit of the other Secured Parties, a security interest in and Lien on all of such Grantor’s right, title and interest in, to and under the following property (the “Intellectual Property Collateral”):

(a) all state, federal and foreign trademarks, service marks and trade names (including such marks, names and applications as described in Schedule A), whether registered or unregistered and wherever registered, all rights to sue for past, present or future infringement or unconsented use thereof, all rights arising therefrom and pertaining thereto and all reissues, extensions and renewals thereof, and all goodwill of or associated with the businesses now or hereafter conducted by such Grantor connected with and symbolized by any of the aforementioned properties and assets, except in each case, any “intent to use” Trademark applications for which a statement of use has not been filed and

accepted with the U.S. Patent and Trademark Office (but only until such statement is filed and accepted with the U.S. Patent and Trademark Office);

(b) all patents and patent applications, domestic or foreign (including such patents, patent applications as are described in Schedule A), all rights to sue for past, present or future infringement thereof, all rights arising therefrom and pertaining thereto and all reissues, divisions, continuations, renewals, extensions and continuations-in-part thereof;

(c) all copyrights and applications for copyright, domestic or foreign, together with the underlying works of authorship (including titles), whether or not the underlying works of authorship have been published and whether said copyrights are statutory or arise under the common law, and all other rights and works of authorship (including the U.S. copyright registrations and copyright applications described in Schedule A), computer programs, computer databases, computer program flow diagrams, source codes, object codes and all tangible property embodying or incorporating any copyrights, and all other rights, claims and demands in any way relating to any such copyrights or works, including royalties and rights to sue for past, present or future infringement and all rights of renewal and extension of copyright;

in each case, solely to the extent the same constitutes Intellectual Property Collateral under the Security Agreement.

2. Recordation. Each Grantor authorizes and requests that the Register of Copyrights, the Commissioner for Patents and/or the Commissioner for Trademarks and any other applicable government officer, as applicable, record this Intellectual Property Security Agreement.

3. Execution in Counterparts. This Intellectual Property Security Agreement may be executed in any number of counterparts (including by facsimile or other electronic imaging means), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

4. Governing Law. This Intellectual Property Security Agreement and all claims or causes of action (whether in contract, tort or otherwise) that may be based upon, arise out of or relate in any way hereto or the negotiation, execution or performance thereof or the transactions contemplated hereby, unless otherwise expressly set forth therein, shall be governed by, and construed in accordance with, the law of the State of New York except as required by mandatory provisions of law and to the extent the validity or perfection of the Security hereunder, or the remedies hereunder, in respect of any Collateral are governed by the law of a jurisdiction other than New York.

5. Conflict Provision. This Intellectual Property Security Agreement has been entered into in conjunction with the provisions of the Security Agreement and the Facilities Agreement. The rights and remedies of each party hereto with respect to the security interest granted herein are without prejudice to and are in addition to those set forth in the Security Agreement and the Facilities Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Intellectual Property Security Agreement are in conflict with

the Security Agreement or the Facilities Agreement, the provisions of the Security Agreement or the Facilities Agreement, as applicable, shall govern.

6. Definitions. Any capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Security Agreement or the Facilities Agreement, as applicable.

IN WITNESS WHEREOF, each of the undersigned has caused this Intellectual Property Security Agreement to be duly executed and delivered as of the date first above written.

Very truly yours,
