TRADEMARK ASSIGNMENT

This Trademark Assignment (the "Assignment") is made and entered into effective as of May 1, 2022 by and between Pneumatic Scale Angelus, LLC, a Massachusetts limited liability company, having offices at 10 Ascot Parkway, Cuyahoga Falls, OH 44223 ("Assignor"), and Barry-Wehmiller Companies, Inc., a Missouri corporation, having offices at 8020 Forsyth Blvd., St. Louis, MO 63105 ("Assignee").

WHEREAS, Assignor owns all right, title and interest in and to the U.S. Trademark Registrations listed in Exhibit A, and common law trademark rights in and to said marks (the "Marks"), together with the goodwill of the business connected with and symbolized by the Marks;

WHEREAS, Assignor and Assignee are related entities; and

WHEREAS, Assignor desires to assign, and Assignee desires to accept, all of Assignor's right, title and interest in and to the Marks.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are acknowledged, the parties hereby agree as set forth below.

Assignor has sold, assigned and transferred, and hereby does, sell, assign and transfer unto Assignee the entire right, title and interest Assignor has, may have, or may acquire in the future, in and to the Marks, together with the goodwill and that portion of the business represented and symbolized by the Marks, renewals and extensions thereof, and the right to sue for, and recover for, any past, present and future infringements thereof, to be held and enjoyed by Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor had no sale and assignment of said Marks been made.

Assignor authorizes the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office to record the transfer of the registrations for the Marks to Assignee as assignee of Assignor's entire right, title and interest therein. Assignor agrees to further execute any documents reasonably necessary to effect this assignment or to confirm Assignee's ownership of the Marks.

IN WITNESS WHEREOF, the parties hereto have executed this Assignment as of the date first above written.
