TRADEMARK ASSIGNMENT

This Trademark Assignment (this “Trademark Assignment”) is effective as of May 31, 2022 and is between Medical Imaging Solutions USA, LLC, a Georgia limited liability company (the “Assignor”) and 626 Opco, LLC, a Delaware limited liability company (the “Assignee”).

RECITALS

A. The Assignor is the owner of the trademarks set forth on Schedule A hereto, together with the goodwill of the business associated therewith (collectively referred to as the “Marks”);

B. Pursuant to the terms of that certain Asset Purchase Agreement, dated as of the date hereof, by and among the Assignor, the Assignee and certain other parties thereto (the “Purchase Agreement”), the Assignor has agreed to transfer all of its right, title and interest in and to the Marks to the Assignee;

C. In connection with the Purchase Agreement, the Assignor has agreed to transfer substantially all of the assets of the business to which the Marks relate, and that such business is ongoing; and

D. The Assignor desires to assign all of its right, title and interest in and to the Marks to the Assignee and the Assignee desires to acquire the Marks.

AGREEMENTS

For the good and valuable consideration set forth in the Purchase Agreement, the receipt and sufficiency of which is hereby acknowledged, the Assignor and the Assignee hereby agree as follows:

1. The Assignor does hereby irrevocably sell, assign, transfer, convey and deliver to the Assignee, its successors and permitted assigns, all right, title and interest, in and to the Marks, and all of the goodwill of the business associated with the Marks, together with that portion of Assignor’s business that is ongoing and existing to which the Marks pertain, and all registrations and pending applications for the Marks, any renewals of the registrations, in all countries throughout the world, for the Assignee’s own use and enjoyment, and for the use and enjoyment of the Assignee’s successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by the Assignor if this Trademark Assignment had not been made together with all causes of action for any and all previously occurring infringement of the rights being assigned and the right to receive and retain the proceeds relating to those infringements.

2. The Assignor hereby authorizes the Commissioner for Trademarks at the United States Patent and Trademark Office (the “Commissioner”), as well as his or her counterparts at the corresponding entities or agencies in any country or jurisdiction that may exercise authority over any of the Marks, to record this Trademark Assignment upon request by the Assignee. The Assignor hereby further requests and authorizes the Commissioner and his or her non-US

counterparts to issue any and all trademark registrations resulting from applications among the Marks or derived therefrom to the Assignee as assignee of the entire interest therein.

3. This Trademark Assignment is in all respects subject to the provisions of the Purchase Agreement and is not intended in any way to supersede, limit, qualify or expand any provision of the Purchase Agreement.

4. Upon reasonable request by the Assignee, the Assignor will at Assignee's expense take such steps and actions, and provide such cooperation and assistance to Assignee, including, without limitation, the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens, assignments, powers of attorney or other documentation, in such case as may be reasonably necessary to vest full title in and to the Marks in the Assignee or which may be reasonably necessary to obtain, renew, issue or enforce the Marks.

5. This Trademark Assignment may be executed in any number of counterparts (including by means of facsimile and electronically transmitted portable document format (pdf) signature pages), each of which shall be an original but all of which together shall constitute one and the same instrument.

6. This Trademark Assignment shall be governed by and construed in accordance with the domestic laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

7. No amendment of any provision of this Trademark Assignment shall be valid unless the same shall be in writing and signed by the Assignor and the Assignee. No waiver by any party of any provision of this Trademark Assignment or any default or breach of covenant hereunder, whether intentional or not, shall be valid unless the same shall be in writing and signed by the party against whom the waiver is to be effective nor shall such waiver be deemed to extend to any prior or subsequent default or breach of covenant hereunder or affect in any way any rights arising by virtue of any prior or subsequent such occurrence.

8. This Trademark Assignment shall be binding upon, and shall inure to the benefit of, the parties hereto and their respective successors and assigns.
